

WHAT DETERMINES ELIGIBILITY?

A multidisciplinary team will review a student's social history, progress notes and updates from teachers and therapists, doctor diagnoses, psychoeducational and academic testing results, report cards, and parent insights to determine if a student is eligible for special education services.

HOW OFTEN WILL AN IEP BE UPDATED?

An IEP must be reviewed annually, or more often if needed, to ensure that the student is meeting their annual goals and to determine future services and goals. In addition, every three years, students will undergo a reevaluation to determine whether he or she continues to require special education and related services to access the general education programs.
