and modern aquarium design. Planted tanks have been developed from virtually existing tanks with very few additions and they are not more demanding than white metal tanks. With a few hours a day, routine maintenance of the tanks is easy to set up and keep. Most will enjoy their tank, appreciating it and not mulling what to do next. This is a basic installation outline for beginners, and with the right attempt you should bear in mind that how to set up a planted tank begins with the tank itself. Tanks must be chosen. The most common is the rectangular cube. When looking at a tank, be guided by the following. We will be discussing more on this and tips to selecting your planted tank.
