Porsche 928 Manual For Sale:

Porsche 928, 924, 944 and 968 Marc Cranswick, 2016-03-28 Porsche AG today the most profitable car company in the world was in 1975 a small but headstrong German automaker on the verge of its most significant development New national laws were changing the way manufacturers designed their products but the auto consumer was also craving more exciting and innovative design That innovation came in 1975 with the release of the revolutionary Porsche 924 This book begins its analysis with the creation of the Porsche 924 and the impact it made on the automotive world During the 1980s Porsche honed earlier 924 designs to create the 944 and its Turbo and convertible variants and later the 968 completing a line that has produced some of the most respected sports cars of the modern era The text also follows in detail the long production life and development of Porsche s V 8 powered high performance grand tourer the 928 introduced in 1977 named the 1978 European Car of the Year and culminating in the 350 bhp 928 GTS of the 1990s This history of the dynamic Porsche family gives a full account of each model and reveals the unique contributions each has made to a constantly evolving automotive world

Porsche 928 Brian Long, 2009 The 928 was originally designed as a replacement for the legendary 911 although traditionalists wouldn't let the air cooled machine die and the fuel crisis that occurred soon after the new Grand Tourer was launched meant its stunning performance on the road would not be matched in the showrooms There was hardly a bad word written about the 928 or the beautifully engineered V8 that powered it when it was new yet it always seemed to be in the shadow of its older six cylinder stablemate Today over a decade since the last car was built interest in this magnificent Porsche is increasing as people start to judge it in a different light This painstakingly researched book looks at the birth of the 928 and then follows its progress around the world taking in all the variants in all major markets as well as a peak at its racing exploits Illustrated with contemporary material throughout it is the perfect guide to this eight cylinder Porsche
