

The Power of Positive Thinking

Believe in yourself! Have faith in your abilities! Without a humble but reasonable confidence in your own powers you cannot be successful or happy.

Norman Vincent Peale

The Power of Positive Thinking

Norman Vincent Peale

The Power of Positive Thinking by Norman Vincent Peale was published in 1952 and quickly it changed thousands of lives. This is among the very first modern self-help books that the population was introduced to. Peale explains how positive thoughts and faith can change people's lives for the better.

In this self-help masterpiece, Peale quotes and supports the New Testament philosophy and guidance to peace, bliss, love, inner joy and success. Therefore, it is not mandatory that only a

Christian can read it, but according to Peale's words a Christian would find it catching.

The Power of Positive Thinking is targeted for the entire world, the goal is to embark change in perceiving things and help an individual to become more productive and happy.
