Story Starter:

There was the first time he knew the school library. The first around him, flipping through an old, redneck book that he found tucked behind a row of dusty encyclopedias. The cover had no title, but the pages were filled with cryptic handwriting, almost like a story.

As he turned to the final entry, the words seemed to glow faintly under the dim light.

"The answer was this... I hope you are ready."

The lights flickered. A sudden gust of wind rustled the pages.

Lines started moving.

The library doors were closed.

And he was no longer alone.

Choose Your Middle Twist

- 1 The town just back from the beach, the library suddenly changes. The wooden shelves were replaced by colorful desks and vibrant walls. The story is still in his hands, but now the words have changed—the words he writes are his. And he starts to describe before he can think.

3 Write down your choices in the space below. Use a separate piece of paper to write your story.

Bonus Challenge: Story Remix

For a fun twist, remix settings with a twist and create a new ending to add new layers to the story. Can you make it scarier, funnier, or more surprising?
