Travel Grant Application Faculty-Led (credit-bearing) Programs Grants Awarded by CAS or Study Abroad

Applications will be reviewed on a rolling basis
Deadlines: Winter Programs – Mid November
Summer Programs – Mid April

ABOUT:

A modest travel grant may be available to students who demonstrate financial need, contingent upon available financial resources and demand. Travel grants may range from \$500-\$1500. These awards are made on a competitive basis for students who would otherwise be financially unable to participate in the program. The degree of financial need of each applicant will be determined by Lehigh's Financial Aid Office.

PROCESS:

The following steps are needed to help determine the criteria for grant funding and are designed to help determine the possible significance of this experience on the academic and professional development of the applicant.

- Attach a letter of request (1 page double spaced) telling us how this experience will contribute to your academic and professional development and speaking to the financial need.
- You will receive notification via email once your grant application is reviewed.
- Please note that, if granted the award, the grant will be applied directly to your Bursar account as a credit toward your tuition and program fee and cannot be used to cover the \$250 program deposit.
- Endorsement from the Lehigh faculty member leading the Study Abroad program
