Dear _____

Message _____

THE RIVERTON HIGH SCHOOL FOOTBALL TEAM conducts an intense and rewarding off-season conditioning and weight training program. Our football players spend long hard hours in strength, speed, and agility development in preparation for the football season. We believe their dedication and hard work is the reason we are successful.

The expenses for football participation are considerable. Pledges or donations, for the benefit of all players, will help offset expenses for the Dixie Football Camp, Summer Strength Training, and the Spirit Pack. Help fulfill the goals and dreams of these young men as they prepare for an exciting 2014 football season. **GO SILVERWOLVES!**

Each player has the Silverwolf Challenge to fund raise approximately ~~\$300.00+~~. These funds, dollar for dollar, go back to the player i.e. Summer football camp, summer weight training, team building, spirit pack, etc.

All paying sponsors will be sent a payment receipt for your files. Remember, your contribution may be tax deductible as provided by law.

The Football Coaching Bible, 2002 The Football Coaching Bible features many of the game's most successful coaches. Each shares the special insight, advice, and strategies they've used to field championship-winning teams season after season.

Letters from a Soldier, 1941-1945 Harold O. Larson, 2002 This manuscript contains actual letters written by my father during World War II. Included are my comments and memoirs. The letters were written to his family, especially his mother. Actual photographs have been included, many from Europe during the war.

A Letter to My Dying Mother Robert Peprah-Gyamfi, 2005-03 What a world we live in! Whereas in some places residents have to fight hard to resist the temptation not to overfeed themselves, at other places people are threatened at best with malnutrition if not starvation. In this readable and entertaining book, the author, who came from Ghana to become a medical doctor in Germany, sets out to highlight some of these inequalities as he attempts to compare and contrast the simple and communal lifestyle of a traditional African society with the sophisticated and egocentric one he found in Western society. Addressed to his mother in her final battle with death and sent through a fictitious courier, it attempts among other things to give her a woman who spent all her life in a typical African countryside an idea of the things she would have seen and experienced on a visit to her son, resident in the northern German city of Hannover. The book is an invaluable guide for anyone from a developing country who, for the first time, visits or wishes to settle in the West, but it will also be read with keen interest by people in the West wishing to know more of traditional African society.

My Gift to You Jerald W. Berry, 2010-05-19 The events that inspired these verses are collections of memories and fragments that have merged to form poems. The stories of loving experiences between players that, looking for love or company, ended up with a wounded heart. These stanzas represent detailed images of the experiences leading to disenchantments and frustrations that loving and losing produces without forgetting the sublime rapture and ecstasy that loving also inspires. These verses touch the essence of the heart and soul, appealing to that collective need we call love, that human sentiment so powerful that it can make us touch heaven or sink us to the darkest depths of hell.

The Fragrance of Angels Martha Brookhart Halda, 2016-09-01 It happened in an instant: a car crash, thrown from the vehicle, pronounced clinically dead while lying on the road. Rotors turned off the Life Flight helicopter, and then swept into eternity, only to return after being pronounced dead three times to a far different life. Welcome to The Fragrance of Angels. Martha Brookhart Halda's memoir about time on the other side and how and why she reshaped and developed a new purpose in life after it became more fraught with challenge after visiting heaven. The Fragrance of Angels distinguishes itself as a mother's empowerment story, taking us from a parent's greatest horror, dying while the kids are young, to a profound change in her approach to parenting and life. The former collegiate track, volleyball, and basketball player and mother discusses how she dealt with extensive rehabilitation, a difficult marriage, relearning to walk and talk, returning to full-time motherhood, running the Dublin Marathon three years after her accident, striking out on her own, meeting new love, and finding new meaning in a

world that never looked or felt the same to her again Within her story is that of so many other women in the middle of their lives yet infused with a sense of purpose and discovery borne by her time on the other side The Fragrance of Angels is filled with a deep sense of love and challenge physical beauty and emotional upheaval frustration and triumph Ultimately it contains quite a surprise the one Martha realized when she was in eternity **The Thank You Letter** Cameron
