**Joined by the Church, Sealed by a Blessing** Diana Macalintal, Nick Wagner, 2014 *Joined by the Church Sealed by a Blessing* does more than help parish leaders plan excellent wedding liturgies and prepare engaged couples well. It enables parish leaders to address the challenges of increased divorce, fewer Catholic weddings, empty pews on Sundays, and the increasing number of people who choose no faith. This is the one book that will give you a comprehensive plan to address these concerns with confidence, creativity, and clarity. With over fifty years of combined hands-on experience in parish and diocesan liturgy preparation and catechumenate formation, Diana Macalintal and Nick Wagner give you more than just another marriage preparation resource. They give you a parish transformation tool. *A Practical Discipleship Model That Fosters Spiritual Maturity* Owar Ojha Ojulu, 2023-11-09 Jesus challenges us to live in him and continue living out the truth so that we claim our allegiance to Christ and live as disciples free from fear and from cultural customs that contradict the gospel message. This project has found that the lack of discipleship training among the Anyuwaa churches has resulted in a lack of understanding of what this ministry entails, teaching and making disciples. In addition, failure to embed elements of the Anyuwaa culture into the discipleship approach and the persistence of certain elements of Anyuwaa life that run counter to gospel beliefs has inflamed this crisis. Therefore, this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel, calling people to embrace gospel values within their own cultural context. When we start interpreting strong cultural beliefs and traditions through the truth of the gospel, it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life of our church and the hearts of our believers. *From Woolloomooloo to 'Eternity': A History of Australian Baptists* Ken R. Manley, 2006-06-01 This pioneering study describes the quest of Baptists in the different colonies, later states, to develop their identity as Australians and Baptists. The first comprehensive history of Baptists in Australia with a national focus, the Baptist story is traced from their beginnings in 1831 with the first baptisms in Woolloomooloo Bay, Sydney, in 1832 down to modern times. Changes and continuities, achievements and failures are carefully analyzed and related to the wider social, political, and cultural context. The first volume covers the period from 1831 until the outbreak of the First World War in 1914 and shows how a strong sense of becoming an Australian Church shaped much of their development from the various types of British Baptists who began the movement in the new nation. What it meant to be an Australian Baptist is described using denominational newspapers, church records, and personal memoirs. **New Member Assimilation** Joel D.
