

## **Speech of Senate President Franklin M. Drilon (July 22, 2013)**

MY ESTEEMED colleagues.

I stand before you, honored and humbled by your trust and confidence in me. It is indeed a great privilege to lead, for the fourth time, this august chamber.

Today, the Senate is making history in the 16th Congress. Half of its members are below 50. A quarter of the members are ladies. This is the first time that this extraordinary membership happened since the Senate's creation. This ensures that the issues and concerns of women, and of the younger generation, will be given more focus and consideration.

The interesting blend of personalities, professional backgrounds and affiliations, is a positive sign towards crafting laws that would address the structural deficiencies of our economy, the weaknesses of our political system and the ills of our society. We should expect healthy, stimulating and enriching debates in the days ahead, as we buckle down to work and look into different issues from different perspectives.

When I look at our new Senators, I see idealism etched all over their youthful faces. I encourage our young colleagues to bring in fresh ideas to the floor, and never hesitate to seek counsel from senior members.

My dear colleagues. As we start our work today, Juan dela Cruz will ask us: "What is the relevance of the Senate in my life?" Ang tanong ng taumbayan: "Ano ba ang kinalaman ng Senado sa aking buhay?"

The question speaks volumes about the people's sentiments. Nakalulungkot isipin na para sa karamihan ng ating mga kababayan, ang Senado ay isang debating club lamang, na ang Senado ay para lamang sa mga mayayaman at makapangyarihan an hindi batid ang tunay na pangangailangan ng mga mahihirap.

It saddens me that ordinary folks think that the Senate is a debating club, which only serves the wealthy, educated and powerful class, and is not mindful of the economic difficulties they are facing. Let us make it clear that we debate because it is only through a vibrant exchange of ideas that we can craft the best laws for economic development and social protection that would spur massive job creation.

Ladies and gentlemen of the Senate, now, more than ever, we have to collectively work harder to craft laws that would have a positive impact on the lives of our people.

Ang kailangan natin ngayon ay isang Senadong nakikinig at tumutugon sa pulso ng mga mamamayan, lalo na ng mgamahihirap at mga maralita.

We must be a sensitive and responsive Senate. A Senate that feels the pulse of the people. A Senate that is tireless in pursuing reforms to propel our beloved country to greater economic, political and social heights.
