No Big Deal:

Preppies Gary Portnoy, David Taylor, Carlos Davis, Judy Hart, 1984 *I Am Restored Bible Study Guide plus Streaming Video* Lecrae Moore, 2021-06-29 None of us can outrun the wounds of our past We can face our past willingly or our lives will force us to face it But while digging into the deep corners of our souls and excavating our past is uncomfortable this is where God makes a masterpiece out of our mess Through this study you can begin to take steps toward healing and restoration This Study Guide includes Individual access to four streaming video sessions Discussion questions reflection questions and biblical character studies Personal Bible study for between sessions A guide with best practices for leading groups Two time GRAMMY winning hip hop artist and bestselling author Lecrae inspires millions with his redemptive and gut honest art But when his personal life spun into chaos he was forced to face the buried impact of unhealed wounds from his past Along the way to restoration he learned simple practices for lasting health and realized that the pain we all carry has the potential to be an unlikely guide to freedom for ourselves and others In *I Am Restored* Lecrae explains how his journey to restoration revealed The importance of not normalizing traumatic circumstances The truth that God still loves us in spite of what we've done How not to turn people's wounds into God wounds The suffering in suppression but freedom of confession How to take care of the mind body and soul that God has given us Life has a way of marring or damaging what you were created for But God loves to restore So make the decision to journey toward God and be what he has always intended you to be Sessions include Facing the Turmoil Confronting the Chaos Discovering Hope Walking in the Light Streaming video access code included Access code subject to expiration after 12/31/2027 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside When Boys Become Boys Chu, Judy Y., Gilligan, Carol, 2014-06-06 Based on a two year study that followed boys from pre kindergarten through first grade *When Boys Become Boys* offers a new way of thinking about boys development Through focusing on a critical moment of transition in boys' lives Judy Y Chu reveals boys' early ability to be emotionally perceptive articulate and responsive in their relationships and how these feminine qualities become less apparent as boys learn to prove that they are boys primarily by showing that they are not girls Chu finds that behaviors typically viewed as natural for boys reflect an adaptation to cultures that require boys to be stoic competitive and aggressive if they are to be accepted as real boys Yet even as boys begin to reap the social benefits of aligning with norms of masculine behavior they pay a psychological and relational price for renouncing parts of their humanity Chu documents boys' perceptions of the obstacles they face and the pressures they feel to conform showing that compliance with rules of masculinity is neither automatic nor inevitable This accessible and engaging book provides insight into ways in which adults can foster boys' healthy resistance and help them to access a broader range of options as they seek to connect with others while remaining true to themselves Facing the Congo Jeffrey Tayler, 2001-10-09 Faced with an identity crisis in his work

and his life seasoned traveler and journalist Jeffrey Tayler made a bold decision He would leave behind his mundane existence in Moscow to re create the legendary British explorer Henry Stanley s trip down the Congo in a dugout canoe stocked with food medicine and even a gun toting guide But once his tiny boat pushed off the banks of this mysterious river Tayler realized he was in a place where maps and supplies would have no bearing on his survival As Tayler navigates this immense waterway he encounters a land of smothering heat and intense rains wary villagers corrupt officials and dead eyed soldiers demanding bribes jungle animals mosquitoes and surprisingly breathtaking natural beauty Filled with honesty and rich description Facing the Congo is a sophisticated depiction of today s Democratic Republic of the Congo a country brought to its knees by a succession of despotic leaders But most mportant Tayler s stunning narrative is a deeply satisfying personal journey of fear and awakening with a message that will resonate with anyone who has ever felt compelled whether in life or in fantasy to truly explore and experience our world

My Senior Year Michael Fitzgibbons,2000-12-20 Hey I m John Sullivan a recent high school graduate who collected his thoughts and dreams and hopes and fears and all kinds of other stuff in a year long diary through his senior year When I finished on graduation day I realized I had quite a collection as a matter of fact I had more than 400 pages So I thought about it and realized that it had a beginning a middle and an end so therefore it told a complete story which I think might be a book if I remember my sophomore literature class correctly I am NOT saying it is literature ha ha but I do think it is a book That is where you come in I don t think it is much of a book if I m the only one who reads it It is just a diary then that will remain on the floppy disk in my computer desk in my bedroom Instead you could read it And tell me what you think And then I will know if I should have left it in that computer desk Or not If you do read it you ll find that I didn t leave anything out even the stuff that might embarrass me I could even still get into some trouble about some of it but I think I m ok because I don t think my parents will want to read it because they were there for almost all of it so it would be a rerun for them I don t think reruns are bad but they already lived through this once so they probably don t want to get all upset allover again So go ahead and click away It was an adventure for me come on along for the ride John Sullivan is right This is quite an undertaking for a senior in high school But that is what it is a diary a coming of age novel a satire and incredibly a love story It is a unique look at one of the most important developmental periods in a person s life
