Re: Arnold Smith's request for Pardon

Dear Governor [last name of the Governor]

I humbly submit my request for a pardon for an ABC State drug possession crime for which I was accused, pleaded guilty, convicted, and received a probation sentence in 2020. I currently seek to become a U.S citizen but this single conviction criminal record which is ten years old made my naturalization application be denied and resulted in removal procedures.

Since My conviction, I sought and earned forgiveness from my U.S citizen wife. During my probation, I have worked two jobs to support my family since I'm the only bread earner. My wife was an ABC State Board of education employer but she resigned last year so she can get a full time to take care of our son (12) who is suffering from Sickel cell disease.

I've had no problems with immigration authorities in the last ten years. My green card was successfully renewed in 2025, and I was able to move freely in and out of the country. Only because I was applying to become a US citizen did the Department of Homeland Security track down my conviction, USCIS deny my application, and I was placed under removal proceedings. My neutralization case is currently on appeal in the Federal court in the Southern District of ABC state.

Due to my legal proceedings and possible deportation, my wife is currently under a lot of stress and has recently been diagnosed with bipolar disorder. If I am deported, my U.S. citizen family will lose a major source of assistance in their house, as I'm the sole caregiver for two ailing individuals.

Once granted, the pardon will assist me in obtaining discretionary relief from deportation, allowing me to remain in the United States with my family and pursue my dream of becoming a US citizen.

Please find the attached documentation, evidence, and support letters from my wife and employer.

Sincerely

Arnold Smith
