Strategic Management and Business Analysis David Williamson, Peter Cooke, Wyn Jenkins, Keith Michael

Moreton, 2013-05-13 Strategic Business Analysis shows students how to carry out a strategic analysis of a business with clear guidelines on where and how to apply the core strategic techniques and models that are the integral tools of strategic management. The authors identify the key questions in strategic analysis and provide an understandable framework for answering these questions. Several case studies are used to focus understanding and enable a more thorough analysis of the concepts and issues especially useful for students involved with case study analysis. Accompanying the text is a CD Rom containing the models, tutorial guidance and a PowerPoint presentation. A blank template is provided for each model enabling students to actively interact and enter their own data, an effective what if facility. This will enable students to appreciate the limitations as well as the advantages of the strategic models.

Probate Gordon Bowley, 2011-06-01 The majority of applications for probate that follow someone's death can be dealt with inexpensively by any reasonably intelligent person with time available and a little guidance. This easy to follow book clearly explains all the information you need to administer the deceased's estate from dealing with the urgent practical matters to preparing and submitting the relevant forms, paying inheritance tax and distributing the estate.
