Issue: Uniform should not be a requirement in school.

Stand: Against

Either wearing or not a school uniform has been the issue in the long run. There are many opinions and different perspectives arise. Each is dependent upon on its purpose. But what is really the role of wearing a school uniform? The students themselves are not only glorified for the winnings but the school as well, exemplified by their uniform.

The school's spirit is not only shown through competitions but likewise in community activities. Wearing the uniform in a parade during fiesta is a great pleasure for the school because all the people could have a glance to it and somehow conclude that the school has the school's spirit and loyalty.

Fortunately, wearing a school uniform makes the campus a friendly and a safe school for the number of trespassers and bullying cases decrease. For school authorities, they can easily identify their students through their uniform upon entering the school premises. The so-called policy, "Not in complete uniform, no entry" has been a very good practice of the school to strengthen the wearing of school uniform that leads to the diminishing number of trespassing cases.

The strike of bullying cases amongst students can be minimized through wearing of school uniform. Not wearing school uniform may lead into misunderstandings and discrimination because of the cultural diversity and unique beliefs that could start a bullying act. If a majority wears the
