Punnett Square Exercises

Information:

The first part of this two part assignment is Punnett Square practice for a single trait. With the gene and/or genotype information given, fill in the missing (or probable) genes or genotypes that result (or could result) for children and/or parents. Uppercase letters represent dominant genes and lower case letters are recessive genes. If a child's genotype is a hybrid, place the uppercase letter first. For parents, the dominant gene in a genotype, if present, is also always listed first.
