Sample Training Plan Template:

Training Needs Assessment Jean Barbazette, 2006-01-20 This book covers the essentials of needs analysis from the emerging trainer's perspective by providing just the right amount of support and knowledge without going too deep into the subject. The topics covered include when and how to do a training needs analysis using informal and formal analysis techniques, goal, task, and population analysis, and how to develop and present a training plan for management approval. Each chapter includes appropriate data gathering tools. The Skilled Trainer series provides practical guidance for those who've had some exposure to training and would like to take their career to the next level. *Step-by-Step Professional Development in Technology* Sarah Meltzer, 2013-10-02 Don't train your teachers in instructional technology without reading this resource-packed book from Sarah T. Meltzer. Meltzer presents easy-to-follow guidelines for bringing about effective professional development in technology from start to finish. She takes you step by step through the process of planning, implementing, and managing professional development opportunities. The book is also filled with handy practical tools and resources such as pre-planning worksheets, needs assessment surveys, long and short-term technology plans, technology inventory forms, training schedule templates, and more. Meltzer provides filled-out examples of those forms so you can see how to complete them. She also offers blank versions for your own use. In addition, each chapter concludes with a checklist to help you keep track of the steps you take as you make professional development in technology a reality and a success in your school or district.
