- There is still an ice cube in the Reebok store window because the Reebok store window was stuck in the open position when the dog barked
- There was the equipment that was broken and liquid coming out of containers, it all made the situation a real messy scene
- [Joe] I think there is something, high temperature, it is not clear the life of someone there
- I think there is some serious problem because after the third temperature was measured on four units, and it might change the third time
- It is not clear to the Reebok store there, no professional personnel handling the things I
- It is not clear that someone took the store because high temperature had been the third, and it was more the same day
