Barack Obama and the Politics of Redemption Stanley A. Renshon, 2012-03-15 Every new president raises many questions in the public mind Because Barack Obama was a relative newcomer to the national political scene he raised more questions than most Would he prove to be a pragmatic centrist or would his politics of hope ultimately flounder on the rocky shoals of America s deep political divisions What of his leadership style How would the uncommonly calm character he demonstrated on the campaign trail shape Obama s political style as commander in chief Based on extensive biographical psychological and political research and analysis noted political psychologist Stanley Renshon follows Obama s presidency through the first two years He digs into the question of who is the real Obama and assesses the advantages and limitations that he brings to the presidency These questions cannot be answered without recourse to psychological analysis And they cannot be answered without psychological knowledge of presidential leadership and the presidency itself Renshon explains

that Obama's ambition has been fueled by a desire for redemption his own that of his parents and ultimately for the country he now leads which has enormous consequences for his choices as president of a politically divided America The Obama Presidency Bert A. Rockman, Andrew Rudalevige, Colin Campbell, 2011-07-26 In the latest volume in this classic series Rockman Rudalevige and Campbell once again bring together top notch scholars this time to take a comprehensive look at the first two years of Barack Obama's presidency Assessing Obama's political strategy as well as his administration's successes and setbacks chapter authors critically examine a presidency marked by continued partisanship major policy battles and continued global turmoil *The United States and Great Power Responsibility in International Society* Wali Aslam, 2013-07-24 This book evaluates American foreign policy actions from the perspective of great power responsibility with three case studies Operation Iraqi Freedom American drone strikes in Pakistan and the post 9/11 practice of extraordinary rendition This book argues that the US invasion of Iraq in 2003 American drone attacks in Pakistan and the practice of extraordinary rendition are the examples of irresponsible actions undertaken by the US acting as a great power in international society Focusing on a major theoretical approach of International Relations the English School this book considers the responsibilities of great powers in international society It points to three obligations of great powers to act according to the norm of legality to act according to the norm of legitimacy and to adhere to the principles of prudence The author applies the criteria of legality legitimacy and prudence to analyse the three foreign policy endeavours of the US and developing a normative framework clarifies the implications for future US foreign policy This book will be of strong interest to students and scholars of international relations international relations theory American politics foreign policy studies international law South Asian studies and Middle Eastern studies **Imperiled Whiteness** Penelope Ingram, 2023-06-23 In *Imperiled Whiteness* Penelope Ingram examines the role played by media in the resurgence of white nationalism and neo-Nazi movements in the Obama to Trump era As politicians on the right stoked anxieties about whites losing ground and being left behind media platforms turned whiteness into a commodity that was packaged and disseminated to a white populace Reading popular film and television franchises Planet of the Apes Star Trek and The Walking Dead through political flashpoints such as debates over immigration reform gun control and Black Lives Matter protests Ingram reveals how media cultivated feelings of white vulnerability and loss among white consumers By exploring the convergence of entertainment news and social media in a digital networked environment Ingram demonstrates how media's renewed attention to imperiled whiteness enabled and sanctioned the return of overt white supremacy exhibited by alt right groups in the Unite the Right rally in Charlottesville in 2017 and the Capitol riots in 2021 JAIR Journal of International Relations Pinak Ranjan Chakravarty, Saumyajit Ray, Debamitra Mitra, Jangkongam Doungel, Obja Borah Hazarika, Padam Nepal, Srimanti Sarkar, Sucheta Ghosh, Langpoklakpam Suraj Singh, Anonya Bhattacharjee, Anuja Saha, 2015-06-30 JAIR Journal of International Relations JAIR J Int Relat is a biennial peer reviewed refereed journal of International Relations published by

The American Rhetorical Construction of the Iranian Nuclear Threat Jason Jones, 2011-06-02

From 2002 to 2008 the Bush administration argued that Iran was developing nuclear weapons despite years of inconclusive International Atomic Energy Agency inspection reports In the absence of substantive evidence much of the debate was conducted via public forums with a heavy persuasive element to the discourse This book offers an in depth consideration of the rhetoric surrounding Irans controversial nuclear programme It takes an interdisciplinary approach examining speeches interviews news reports online message boards and newspaper layouts during the Bush Presidency 2000 2008 Engaging with visual grammar and narrative the book looks at layouts from the Associated Press The New York Times and The Washington Post amongst others The book points out using rhetorical theory and discourse analysis the conditions that lent credibility to the Bush administrations position by examining the arguments Bush and his political surrogates put forward and the discourse strategies that influenced which ideas gained salience and which were downplayed Political communication and Foucaults theory of governmentality are brought in to articulate the implications regarding the influence importance and expansion of executive power

Hunting in the Shadows: The Pursuit of Al Qa'ida Since 9/11 Seth G. Jones, 2012-05 This landmark history chronicles the dramatic decade long war against al Qa ida and provides a model for understanding the ebb and flow of terrorist activity Tracing intricately orchestrated terrorist plots and the elaborate multiyear investigations to disrupt them Seth G Jones identifies three distinct waves of al Qa ida violence As Jonathan Mahler wrote in the New York Times Book Review studying these waves and the counterwaves that repelled them can tell us a lot about what works and what doesn t when it comes to fighting terrorism The result is a sweeping insider s account of what the war has been and what it might become

In Search of George Washington Rick Sirmon, 2011-11-30 In Search of George Washington The Story of the 28th Amendment chronicles the amazing flashback that was the Prairie Fire that swept the country over 18 months in 2012 and 2013 See how America cried out for Her heroes and Her history and Her heritage and how a strange re visitation in the mysterious mists of time by the Founders triggered the massive chain of events leading up to Post 28 America Business that had raced away from America came racing back and business competitiveness that had dimmed blazed again from sea to shining sea See how pure free

enterprise unleashed the creativity and abilities of the poor the unemployed and the undocumented to grow and learn and excel Believe that for maybe the first time that you as one person can make a difference Plug in and hold on This is your gateway to the incredible reaches of The 28th Amendment *Mother Jones* ,2007-03 **Congress and the Nation 2013-2016, Volume XIV** David Hosansky,2019-10-29 Chronicling the polarized partisan environment during the President Barack Obama s second term Congress and the Nation 2013 2016 Vol XIV is the most authoritative reference on congressional lawmaking and trends during the 113th and 114th Congresses The newest edition in this award winning series documents the most fiercely debated issues during this period including The unprecedented federal government shutdown The strike down of the Defense of Marriage Act as unconstitutional End of the filibuster for most executive and judicial branch nominees Changes to the Dodd Frank Act Israeli Prime Minister Netanyahu and Pope Francis address joint sessions Sexual Assault Survivors Rights Act passed overhauling rape kit processing and establishment of victim bill of rights SPACE Act passed allowing commercial exploration of space No other source guides readers seamlessly through the policy output of the national legislature with the breadth depth and authority of Congress and the Nation This is a landmark series is a must have reference for all academic libraries and meets the needs of the full spectrum of users from lower level undergraduates through researchers and faculty American Foreign Policy and Political Ambition James Lee Ray,2013-08-20 In his eagerly awaited second edition of American Foreign Policy and Political Ambition James Ray revisits his deceptively simple premise that the highest priority of leaders is to stay in power Looking at how political ambition and domestic pressures impact foreign policymaking is the key to understanding how and why foreign policy decisions are made The text begins by using this analytic approach to look at the history of foreign policymaking and then examines how various parties inside and outside government influence decision making In a unique third section the book takes a regional approach not only covering trends other books tend to miss but giving students the opportunity to think comprehensively about how issues intersect around the globe from human security and democratization to globalization and pollution Guided by input from adopters and reviewers Ray has thoroughly re organized the book and streamlined some coverage to better consolidate the historical institutional regional and topical chapters and focus the thematic lens of the book Ray has also brought the book fully up to date addressing the latest events in American foreign policy including the wars in Afghanistan and Iraq the killing of Bin Laden the WikiLeaks scandal and its aftermath the impact of social media on foreign policy and world affairs nuclear proliferation developments in U S Russian relations climate change and more **Greed to Green** Charles Derber,2015-11-17 This book shows how we can solve the climate change crisis which is the greatest threat humanity has faced Charles Derber a prominent sociologist and political economist shows that global warming is a symptom of deep pathologies in global capitalism In conversational and passionate writing Derber shows that climate change is capitalism s time bomb certain to explode unless we rapidly transform our economy and create a new green American Dream Derber

shows there is hope in the financial meltdown and Great Recession we are now suffering The economic crisis has raised deep questions about Wall Street and the US capitalist model Derber systematically explores the causal links between capitalism and climate change a taboo subject in the U S and opens up new thinking to solve both the economic and climate crises
