Writing Prompts

[illegible]

What about the people you love did it affect?

Write about your best friend. Write twice as long about one of your best friends together.

Write a story that involves one of your favorite hobbies.

Write a story about the happiest moment of your life. How did it turn out in the end?

It is funny about a time when you were so excited and couldn't wait for someone to happen.

Write down some something you have made since in my friends! Writing a story about a thing happened will how you feel about it.

Write a story about finding a heart. What did you find about it?

Writing a story about a hope you want. What was the best part?
