Pearson, 2021-10-27 For many Americans the birth certificate is a mundane piece of paper unearthed from deep storage when applying for a driver s license verifying information for new employers or claiming state and federal benefits Yet as Donald Trump and his fellow birthers reminded us when they claimed that Barack Obama wasn t an American citizen it plays a central role in determining identity and citizenship In The Birth Certificate An American History award winning historian Susan J Pearson traces the document s two hundred year history to explain when how and why birth certificates came to matter so much in the United States Deftly weaving together social political and legal history The Birth Certificate is a fascinating biography of a piece of paper that grounds our understanding of how those who live in the United States are considered Americans
