Government Reform**

Obamacare Paper Application:

Obamacare Implementation United States. Congress. House. Committee on Oversight and Government Reform, 2014

Obamacare: What's in It for Me? Wendell Potter, 2013-12-06 On January 1 2014 the most important consumer protections in ObamaCare the Affordable Care Act go into effect With both supporters and opponents of the law debating its merits and its controversial rollout there is a need for news you can use types of resources from credible third parties Enter Wendell Potter author of *Deadly Spin* and former health insurance executive *Obamacare What's in It for Me* is the authoritative source for Americans needing to know how the law will affect them and their families How will it affect the millions of Americans who already have coverage through their employers People who work for small companies that don't offer coverage The unemployed People who are in their 20s 30s and 40s some of whom may find that coverage costs them more than before Older Americans not yet eligible for Medicare many of whom will be able to get much more affordable coverage Medicare beneficiaries Low to moderate income individuals and families People with pre-existing conditions Children As a former insurance industry insider and now a recognized expert on ObamaCare Wendell Potter is perfectly positioned to explain to a wide audience hungry for the real story without the spin of just what this health care overhaul means for all of us

Examining Obamacare's Failures in Security, Accountability, and Transparency United States. Congress. House.

Committee on Oversight and Government Reform, 2015

The Ultimate Obamacare Handbook (2015-2016 edition)

Kimberly Amadeo, 2015-09-15 The Affordable Care Act aka Obamacare makes health insurance available to the majority of Americans In fact failure to obtain coverage will result in penalties but the process of obtaining insurance can be daunting This brief handbook explains the law and its history and tells readers how to apply for coverage and any exemptions and subsidies if they are eligible Editor Amadeo an expert on the act discusses the benefits of having insurance and how the plan is financed Each chapter has references and the book has a glossary and a bibliography to help readers This is a useful resource but libraries should also have information about local exchanges if their states have them Barbara Bibel BOOKLIST March 15 2016 issue Obamacare can save you money but only if you know how it really works Americans have been barraged with fifteen times more negative than positive news about Obamacare As a result 40 percent of the people who dislike it actually qualified for insurance subsidies and don't realize it Hardworking middle class families need facts not opinions to get all the benefits they deserve Here you'll find A guide to buying low cost health insurance Step by step instructions to signing up for insurance Directions to apply for Obamacare exemptions Eligibility requirements for subsidies Definitions of insurance health care and Obama terms Real life stories of people who have already been helped This handbook refutes the myths about the Affordable Care Act with research based evidence It reveals the seven reasons why health care costs so much as well as how the ACA attacks those costs You'll learn who really gets benefits from subsidies and who pays for them Most importantly this book uncovers how the ACA might save you and your family money in 2016 and beyond

The Big Con

Mariana Mazzucato,Rosie Collington,2025-05-20 A vital and timely investigation into the opaque and powerful consulting industry and what to do about it There is an entrenched relationship between the consulting industry and the way business and government are managed today that must change Mariana Mazzucato and Rosie Collington show that our economies reliance on companies such as McKinsey Company Boston Consulting Group Bain Company PwC Deloitte KPMG and EY stunts innovation obfuscates corporate and political accountability and impedes our collective mission of halting climate breakdown The Big Con describes the confidence trick the consulting industry performs in contracts with hollowed out and risk averse governments and shareholder value maximizing firms It grew from the 1980s and 1990s in the wake of reforms by the neoliberal right and Third Way progressives and it thrives on the ills of modern capitalism from financialization and privatization to the climate crisis It is possible because of the unique power that big consultancies wield through extensive contracts and networks as advisors legitimators and outsourcers and the illusion that they are objective sources of expertise and capacity In the end the Big Con weakens our businesses infantilizes our governments and warps our economies In The Big Con Mazzucato and Collington throw back the curtain on the consulting industry They dive deep into important case studies of consultants taking the reins with disastrous results such as the debacle of the roll out of HealthCare gov and the tragic failures of governments to respond adequately to the COVID 19 pandemic The result is an important and exhilarating intellectual journey into the modern economy s beating heart With peerless scholarship and a wealth of original research Mazzucato and Collington argue brilliantly for building a new system in which public and private sectors work innovatively for the common good

Obamacare: Complete Law, Latest Statistics & Republican's Counterproposal White

House,United States Congress,2017-03-20 This e book contains the complete text of The Patient Protection and Affordable Care Act which is formatted for your eReader with a functional and detailed table of contents The edition also includes the latest data on health coverage and health care expenses as well as the Republicans counter arguments and their proposed bill Patient Protection and Affordable Care Act or Obamacare is a United States federal statute which at the same time represents the complete reform of the American health care system conducted by the former president Barack Obama The main goal of this act was to drive better health outcomes lower costs and improve accessibility to health services The whole system was designed to increase health insurance quality and affordability lower the uninsured rate by expanding insurance coverage and reduce the costs of healthcare In March 2017 the Republican Party which opposed Obamacare released its plan to replace it

Obamacare Jason Miller,2013-11-01 An Obamacare book like no other Obamacare Healthcare Apocalypse not only lays out all of the core components of the Patient Protection and Affordable Care Act but also provides a detailed analysis of the long term impacts of this massive federal intrusion into healthcare Whether by intentional design or as the byproduct of bad law Obamacare will literally and figuratively tax the current and effective predominantly employment based third party payor system to the breaking point paving the way for full scale government intervention in the form of socialized

medicine Obamacare will accomplish this feat under the guise of consumer protections but the real impact of Obamacare will be felt slowly over time as a series of delayed implementation time bombs erupt with damaging consequences The recipe for financial disaster that Obamacare concocts will slowly erode the private sector health insurance industry and tempt employers to pay the penalty instead of providing more costly qualified coverage for employees All the while employers individuals insurers and other businesses will feed the growing federal healthcare option that will emerge as the private insurance sector fails Obamacare drastically expands Medicaid converting it from a last resort needs based program to a clear entitlement program The middle class and businesses will fund this expansion in the form of new taxes All the while members of the middle class will see their own healthcare coverage vanish and be hit with a financial penalty simply because they cannot afford to purchase qualified coverage Small businesses will quell their own growth to avoid the employer shared responsibility requirement while others will cut employee hours to part time status to avoid the obligation The middle class will emerge as the new class of uninsured in America and as the private healthcare insurance industry spirals downward the government will step in with its own plan knowing the majority will be left with no other option but to accept it Welcome to the healthcare apocalypse This book provides a history of healthcare focusing on the ever increasing cost ascent a crash course on the insurance industry so that you will see precisely how Obamacare's drafters hit the easy target with the long term goal of implementing socialized medicine and lays out precisely how Obamacare will ultimately lead to the destruction of the great albeit flawed American healthcare system

Writing a Research Paper in Political Science Lisa A.

Baglione, 2018-12-31 Even students capable of writing excellent essays still find their first major political science research paper an intimidating experience Crafting the right research question finding good sources properly summarizing them operationalizing concepts and designing good tests for their hypotheses presenting and analyzing quantitative as well as qualitative data are all tough going without a great deal of guidance and encouragement Writing a Research Paper in Political Science breaks down the research paper into its constituent parts and shows students what they need to do at each stage to successfully complete each component until the paper is finished Practical summaries recipes for success worksheets exercises and a series of handy checklists make this a must have supplement for any writing intensive political science course New to the Fourth Edition A non causal research paper woven throughout the text offers explicit advice to guide students through the research and writing process Updated and more detailed discussions of plagiarism paraphrases drop ins and transcripts help to prevent students from misusing sources in a constantly changing digital age A more detailed discussion of fake news and disinformation shows students how to evaluate and choose high quality sources as well as how to protect oneself from being fooled by bad sources Additional guidance for writing abstracts and creating presentations helps students to understand the logic behind abstracts and prepares students for presentations in the classroom at a conference and beyond A greater emphasis on the value of qualitative research provides students with additional instruction on how to
