The World of Wal-Mart Nicholas Copeland, Christine Labuski, 2013 This book demonstrates the usefulness of anthropological concepts by taking a critical look at Wal Mart and the American Dream Rather than singling Wal Mart out for criticism the authors treat it as a product of a socio political order that it also helps to shape The book attributes Wal Mart's success to the failure of American and global society to make the Dream available to everyone It shows how decades of neoliberal economic policies have exposed contradictions at the heart of the Dream creating an opening for Wal Mart The company's success has generated a host of negative externalities however fueling popular ambivalence and organized opposition The book also describes the strategies that Wal Mart uses to maintain legitimacy fend off unions enter new markets and cultivate an aura of benevolence and ordinariness despite these externalities It focuses on Wal Mart's efforts to forge symbolic and affective inclusion and their self promotion as a free market solution to social problems of poverty inequality and environmental destruction Finally the book contrasts the conceptions of freedom and human rights that underlie Wal Mart's business model to the alternative visions of freedom forwarded by their critics

Why Do the Heathen Rage? Ayodeji Awe, 2020-10-06 Why do the Heathen Rage is a perplexity that presents a melting pot of the supernatural and the natural Regarding this monumental collision of Donald Trump and the Left the celestial teleprompter displays the central insight that whenever the son of man sights the serpent he goes after its head while the serpent in return pursues his heels It s a dog fight The God factor in Trump coupled with the imposing octagonal causation of hatred no doubt conspicuously prime timed him for which the Heathen the cartel of the Democrats and the Liberal Mainstream Press could not resist going after him like in a mad vengeance But God is unequivocally committed to His own agenda for which Trump is a major character He therefore zeroes his eyes on the detractors calls them out for their atrocities warns them to repent and possibly fall in line He further embraces the supporters encouraging them to keep the faith stand tall and kneel only to Almighty God They must keep up with support of the President and return him to the White House in November 2020 that the good works in progress may continue Finally He prophesies an assurance to America as a nation that He will not renege on his covenant with the Pilgrim forefathers Ultimately Coronovirus wears off the experiential peace of God returns ushering in normalcy while America remains an icon and a place most coveted and sought on earth
