Peripheral Vision A Collection Of Short Stories:

Peripheral Vision Joan L. Cannon, 2015-04-15 A wonderful collection of short stories with a Southern Flavor and a woman's literary point of view

The Postcolonial City and its Subjects Rashmi Varma, 2011-08-05 This book considers twentieth and twenty first century literary and cultural formations of the postcolonial city and the constitution of new subjects within it Varma offers a reading of both historical and contemporary debates on urbanism through the filter of postcolonial fictions and the cultural fields surrounding and containing them In particular she presents a representational history of London Nairobi and Bombay in the twentieth and twenty first centuries and engages three key theoretical frameworks the city within postcolonial theory and culture its troubled salience in the construction of postcolonial public spheres and identities from local rural ethnic tribal and regional to national cosmopolitan and transnational subjects and spaces postcolonial fictions as constituting a new world literary space and as a site of the articulation of contending narratives of urban space global culture and postcolonial development and postcolonial feminist citizenship as a universal political project challenging current neo liberal and post neo liberal contractions and eviscerations of public spaces and rights

My Mind Is Made of Crumbs Cannon, Joan, 2015-03-12 The poems in this collection were written over a period of nearly half a century They look backward observe the recent past and the present and include subjects that have little reference to history and chronology because they apply to all of life Then Now and Whenever offer verbal pictures autobiography a bit of philosophy and a little humor in varied forms

Short Stories of Aurora Rhapsody G. S. Jennsen, 2017-11-29 The world of Aurora Rhapsody spans five decades megaparsecs of space and hundreds of exoplanets Yet a million words across nine novels were not enough There were more stories that needed to be told These are those stories Featuring Meridian a brand new short story available exclusively as part of this Collection The Earth Alliance rules 82 worlds controlling an empire that spans a third of the Milky Way But when its leaders stray too far from the democratic principles on which it was founded one colony one group of daring rebels will risk everything in order to reclaim their freedom Before Alex Solovy was a successful interstellar scout she was building starships and planning for the day when she would fly one she called her own Before Caleb Marano was wiping out the terrorist group who murdered his mentor he was wiping out terrorist groups who murdered shopkeepers and threatened his friends The path to an astonishing future for humanity leads through a wild planet offering tantalizing adventure but also unchecked dangers when a weekend escapade becomes a test of strength and will for two war heroes When Alex Solovy space explorer freelance scout recalcitrant wanderer lands the contract of a lifetime the race is on to claim the prize Now she must not only outrun but outsmart her rivals to uncover the secrets of an ancient mysterious pulsar For deep in the void far beyond the reach of civilization wealth and renown matter little absent the ultimate reward survival In a future too distant to measure a hyper evolved breed of humans rule multiple galaxies and alien species with an iron fist But a small group of dissidents are willing to pursue any and all measures no matter how extreme to return freedom to the
