

Final Exam: Romeo and Juliet

Shakespeare and his theater

The questions below refer to Shakespeare and his works in general.

- What is one of the more likely reasons why high school students are required to read literary works written by William Shakespeare?
 - because most of today's high-paying jobs require fluency in Elizabethan-era language and literature
 - because Shakespeare's works are highly entertaining
 - because Shakespeare's works have had (and continue to have) a significant influence on the world's authors and culture
 - because his works have been translated into nearly all of the world's most commonly-spoken languages
 - since most of today's teachers were forced to read Shakespeare, it is only fitting that the cycle of abuse shall continue
- What is one of the more likely reasons why high school students are required to study *The Tragedy of Romeo and Juliet*?
 - because the main characters are close in age to high school students
 - because it forces teachers and students to confront the controversial topic of premarital sex
 - because the story teaches valuable lessons about gang violence and drug addiction
 - because most parents do not like their children's boyfriends/girlfriends
 - because students need to be aware of the dangers of arranged marriages
- With which theater are Shakespeare's works most closely associated?
 - the King's Theater
 - the Queen Elizabeth Theater
 - the Mercury Theater
 - the Apollo Theater
 - the Globe Theater
- If you flew to London, you could visit a modern reconstruction of Shakespeare's theater. What would be one of the most noticeable differences in watching a play performed at this theater, as opposed to watching that same play performed at a theater where you live?
 - The costumes would be fancier in London.
 - Nobody is given assigned seats at the theater in London.
 - You might get rained on while watching the play in London.
 - At the theater in London, you wouldn't be allowed to use the restroom while the play is going on.
 - The theater in London uses more elaborate sets and scenery.

Prologue

The questions below refer to the prologue to Act I of the play *The Tragedy of Romeo and Juliet*.

- Shakespeare most likely included the prologue to make certain that everyone in the audience knew that
 - the children from two long-feuding families will fall in love and die.
 - the play is written in iambic pentameter.
 - Juliet will fake her own death in order to be with Romeo.
 - Juliet was from a rich family and Romeo was from a poor family.
 - most of the women's roles would, in fact, be played by men.
- The lines of the prologue, "*And the continuance of their parents' rage, Which but their children's end, naught could remove,*" is finally fulfilled when
 - Capulet says, "*O brother Montague, give me thy hand.*"
 - the Prince says, "*Capulet! Montague! See what a scourge is laid upon your hate...*"
 - the Friar says, "*A greater power than we can contradict hath thwarted our intents.*"
 - the Friar says, "*For this alliance may so happy prove to turn your household's rancor to pure love.*"
 - the Nurse says, "*I tell you, he that can lay hold of her shall have the chinks.*"
