The Academy and Literature ,1913 [Whither the Postmodern Library?](#) William H. Wisner,2000-05-15 Once upon a time looking for a book in the library involved an ancient mechanism called the card catalog Now most card catalogs are gone forever and patrons gaze at computer screens As electronic technology becomes more pervasive or invasive librarians and library users continue to be embroiled in the controversy over the function of a library and its staff As knowledge loses ground to information and techware pre empts book budgets library collections are purged and reference librarians find their role diminished except to put more paper in the printer to serve the voracious wood pulp appetite of the new paperless society The essays in this book analyze the complex issues surrounding the postmodern library and its increasingly impersonal nature as the librarian at its center is more and more frequently marginalized The insights and observations both practical and thoughtful are those of a practicing librarian An annotated bibliography guides the reader to additional important articles and books that explore the future of the library and the role of technology
