When something starts to go in the other direction, we're disappointed. We hope that by now, as a society, we're beginning to see that the federal government is not going to be able to do it. We're beginning to see that the federal government is not going to be able to do it. We're beginning to see that the federal government is not going to be able to do it.

This monograph also offers practitioners an additional guide to the reading level, grade and difficulty of the texts. In the future, teachers will be able to use the book as a guide to help them select texts that are appropriate for their students. It is hoped that this monograph will increase the physical education teachers' knowledge of the literature in the area of reading and that they will be able to use this knowledge to help their students become better readers.
