Americans had been cautious of Soviet communism and are worried about Russian leader Joseph Stalin's rule of his own country. The Cold War heated up again under President Ronald Reagan. Like many leaders of his generation, Reagan believed that the spread of communism anywhere threatened freedom every. Inhere. As a result, he worked to provide financial and military aid to anticommunist governments and insurgencies around the world. This policy, particularly as it was applied in the developing world in places like Grenade and El Salvador, was known as the Reagan Doctrine.

Ronald Reagan wanted to become a leader because he felt his ideas in relation to taxes and the economy could help the country's financial state tremendously. Reagan thought that the government restrictions and taxation were the causes of erosion of individual freedom within the United States. Their goal must be the promotion forward revolution and a one world communist or socialist state. " According to Reagan, the Soviets considered d@tenet a sign of American weakness and vulnerability.

He said, "Our strategy is defensive; our aim is to protect the peace by ensuring that no adversaries ever conclude they could best us in a war of their own choosing. " Reagan admired President Franklin D. Roosevelt, whose "New Deal for the American people" provided jobs for his father and brother during the depths of the Depression. Although he never lost his admiration for Franklin D.

Roosevelt, Reagan became an ardent conservative and switched his registration to Republican in 1962. Reggae's political and ideological evolution was the product of numerous factors: increased wealth, and the higher taxes that accompanied it; conflicts with leftist union leaders as an official of the Screen Actors Guild, and exposure in his General Electric days to a growing view that the federal government, epitomized by the New Deal, was stifling economic growth and individual freedom.

During Reggae's early childhood, his family lived in a series of Illinois towns as his father switched sales jobs, then settled in Dixon, Illinois, in 1920. In 1928, Reagan graduated from Dixon High School, where he was an athlete and student body president and performed in school pl
