Forugh Farrokhzad, Poet of Modern Iran Dominic Parviz Brookshaw, Nasrin Rahimieh, 2023-05-04 The pioneering Iranian poet and filmmaker Forugh Farrokhzad was an iconic figure in her own day and has come to represent the spirit of revolt against patriarchal and cultural norms in 1960s Iran Five decades after her tragic death at the age of 32

Forugh Farrokhzad Poet of Modern Iran brings her ground breaking work into new focus During her lifetime Farrokhzad embodied the vexed predicament of the contemporary Iranian woman at once subjected to long held traditional practices and influenced by newly introduced modern social sensibilities Highlighting her literary and cinematic innovation this volume examines the unique place Farrokhzad occupies in Iran both among modern Persian poets in general and as an Iranian woman writer in particular The authors also explore Farrokhzad s appeal outside Iran in the Iranian diasporic imagination and through the numerous translations of her poetry into English It is a fitting and authoritative tribute to the work of a remarkable woman which will introduce and explain her legacy for a 21st century audience This second edition includes two new chapters which explore a travelogue Farrokhzad wrote during her time in Italy and an examination of Farrokhzad s influence on the writings of the Afghan female poet Laila Sarahat Rowshani Looking for Trouble Leslie

Cockburn,2013-07-31 News correspondent Leslie Cockburn has dined with the Cali Cartel marched with the Khmer Rouge hunted down the Black Turban in Afghanistan pursued the Russian mafia to the Arctic Circle shared pomegranate sauce with the Ayatollahs and stopped a small Kurdish war but she has never told these stories in a book until now Cockburn was one of the first women to break into the tight fraternity of combat and third world reportage when she began work at the London bureau of NBC News in 1976 where successful news gathering required unorthodox tactics stamina and for best results a criminal mind By the time she moved to CBS s 60 Minutes Cockburn had interviewed Muammar Qaddafi and Margaret Thatcher been arrested as spy in Gambia and effectively eliminated whatever doubts her colleagues might have had about a woman s ability to tackle the news business s most dangerous assignments A mother of three who has made a career of breaking down barriers Leslie Cockburn has exposed the tobacco lobby in Washington and human rights violations in Cambodia and her impact on foreign and domestic policy has been as powerful as her impact on the rights and prerogatives of working women In an industry in which as late as 1973 women had to lobby to wear trousers to work Leslie Cockburn was determined to combine a strong family life with a strong professional life sacrificing neither With a cast of generals drug lords rock stars and kings LOOKING FOR TROUBLE is the incredible story of a career that has spanned the history making news events of the last two decades Alternative Iran Pamela Karimi,2022-09-27 Alternative Iran offers a unique

contribution to the field of contemporary art investigating how Iranian artists engage with space and site amid the pressures of the art market and the state s regulatory regimes Since the 1980s political economic and intellectual forces have driven Iran s creative class toward increasingly original forms of artmaking not meant for official venues Instead these art forms appear in private homes with trusted audiences derelict buildings leftover urban zones and remote natural sites While many of these venues operate independently others are fully sanctioned by the state Drawing on interviews with over a hundred artists gallerists theater experts musicians and designers Pamela Karimi throws into sharp relief the extraordinary art and performance activities that have received little attention outside Iran Attending to nonconforming curatorial projects

independent guerrilla installations escapist practices and tacitly subversive performances Karimi discloses the push and pull between the art community and the authorities and discusses myriad instances of tentative coalition as opposed to outright partnership or uncompromising resistance Illustrated with more than 120 full color images this book provides entry into unique artistic experiences without catering to voyeuristic curiosity around Iran s often perceived underground culture

Iranian Culture Nasrin Rahimieh, 2015-08-27 Throughout modern Iranian history culture has served as a means of imposing unity and cohesion onto society The Pahlavi monarchs used it to project an image of Iran as an ancient civilisation re emerging as an equal to Western nations while the revolutionaries deployed it to remake the country into an Islamic nation Just as Iranian culture has been continually re interpreted the representations and avocations of Iranian identity vary amongst Iranians across the world Iranian Culture Representation and Identity demonstrates these fissures and the incompatibilities that refuse to be written out of national culture analysing works of literature popular music graphic art and film as well as oral narratives Using works produced before and after the 1979 revolution created both inside and outside of Iran this study reveals neglected complexities and contradictions in the field of Iranian cultural production It considers how contested claims to culture whether they originated in Iran or the Iranian diaspora shape our understanding of this culture and what spaces they create for new articulations of it and in doing so offers an important re examination of our collective concept of culture This book would be an excellent resource for students and scholars of Middle East Studies and Iranian Studies specifically Iranian culture including film and contemporary literature and the Iranian diaspora **Iowa Alumni**
