Calligraphy Typewriters Larry Eigner, 2017-03-21 The first and only single volume collection of Larry Eigner's most significant poems gathering in one place the most celebrated of the several thousand poems that constitute his remarkable life's work Larry Eigner began writing poetry at age eight and was first published at age nine Revered by poets and artists across a broad spectrum of generations and schools Eigner's remarkably moving poetry was created through enormous effort because of severe physical disabilities he produced his texts by typing with only one index finger and thumb on a 1940 Royal manual typewriter creating a body of work that is unparalleled in its originality Calligraphy Typewriters showcases the most celebrated of Eigner's several thousand poems which are an important part of the Black Mountain Projectivist movement that began in the 1950s and which remain a primary inspiration for many younger writers including those in the Language movement that began in the 1970s In its two sections Swampscott and Berkeley named for the two locales where Eigner lived and worked the volume traces his fantastic perception of the ordinary and his zeal for language Eigner's use of visual space metaphor and description provide fascinating insights into both his own life and the world that surrounded him This volume maintains the distinctive visual spacing of his original typescripts reminders of his method aesthetic sensibility and creative ability to compose on the typewriter A collection that reimagines the ordinary Calligraphy Typewriters is the definitive selection of Eigner's poems and will serve well not only poets and students of poetry but readers and writers of every vein

The Age of Astonishment Bill Morris, 2022-04-05 An acclaimed journalist and novelist makes history personal painting a rich and vivid portrait of the time when America became modern by tracing the life of one man who lived through it It all began with a black and white family snapshot of a distinguished elderly gentleman with a fine head of spun sugar hair He was wearing round tortoise shell glasses a three piece suit and an expression of delight mixed with terror for on his right knee he was balancing a swaddled infant with a bewildered look The baby is Bill Morris the man is his father's father John Morris That photo taken in November 1952 the month the United States detonated the first hydrogen bomb a weapon a thousand times more powerful than the atom bombs that incinerated Hiroshima and Nagasaki Three years later John Morris died at the age of 92 Bill has no memories of the man but even as a boy he found himself marveling at the changes John must have witnessed and experienced in his long lifetime He was born into a slave owning Virginia family during the Civil War and he died at the peak of the Cold War At the time of his birth the dominant technologies were the steam engine and the telegraph He grew up in a world lit by kerosene and candles he traveled by foot and horseback and wagon and drank water hauled from a well He would live through Reconstruction women's suffrage Prohibition the Great Depression two world wars the Korean War and the advent of nuclear weapons Though he was from a slave owning family he changed his views as he grew into adulthood and would unhappily witness the horrors of Jim Crow and work against it Fluent in German he would witness Hitler's rise to power just one of the unimaginable occurrences of his time that suddenly

became all too real Deep in the Bible Belt John was agnostic perhaps even atheist and held remarkably progressive beliefs on race relations child rearing women's rights and religious freedom He married an Irish Catholic from upstate New York at a time when Catholics Jews and Yankees were not warmly welcomed in the South And in that traditionally bellicose region he was a life long pacifist He was in a word a misfit but one whose story embodies a pivotal generation in American history An acclaimed journalist and novelist Bill Morris makes history personal in *The Age of Astonishment* painting a rich and vivid portrait of the time when America became modern by tracing the life of one man who lived through it [Pluralism, Poetry, and Literacy](#) Xavier Kalck, 2021-03-17 Drawing from Medieval and Renaissance studies analytic philosophy and pragmatism Jewish studies as well as ecocriticism and environmental humanities this book demonstrates the consistent relationship between pluralism and literacy through the prism of poetry by confronting the history of interpretive practices with examples from American poets Robert Lax Larry Eigner Louis Zukofsky Gary Snyder and Theodore Enslin Divided into four areas of investigation the meditative the analytic the diasporic and the ecological reader it is an invitation to turn to premodern reading practices related to spiritual exercises as well as modern reading practices devoted to the critical pursuit of analytical knowledge This study further reflects on the textual models of Jewish diaspora as another form of dialog between sacred and secular interpretive practices before examining a final variation on this distinction by looking at the separation between contemplative and investigative perspectives on reading and writing nature

What Ever Happened to Orson Welles? Joseph McBride, 2022-01-11 In this intimate and often surprising personal portrait Joseph McBride challenges the conventional wisdom that Welles's career after *Citizen Kane* widely regarded as the greatest film ever made fell into a long decline The author shows instead how Welles never stopped directing radical adventurous films and was always breaking new artistic ground as a filmmaker McBride is the first author to provide a comprehensive examination of the films of Welles's artistically rich yet widely misunderstood later period in the United States 1970-1985 when McBride knew the director and worked with him as an actor on *The Other Side of the Wind* Welles's personal testament on filmmaking To put Welles's later years into context the author reexamines the filmmaker's entire life and career This newly updated edition rounds out the story with a final chapter analyzing *The Other Side of the Wind* finally completed in 2018 and his rediscovered 1938 film *Too Much Johnson* McBride offers many fresh insights into the collapse of Welles's Hollywood career in the 1940s his subsequent political blacklisting and his long period of European exile *What Ever Happened to Orson Welles* serves as a major reinterpretation of Welles's life and work McBride's revealing portrait changes the framework for how Orson Welles is understood as a man an actor a political figure and a filmmaker

Hearings, Reports and Prints of the House Committee on the Judiciary United States. Congress. House. Committee on the Judiciary,1970 Secrets of an Old Typewriter: Stories from a Smart and Sassy Small Town Girl Susie Duncan Sexton,2011-08-29 Susie Duncan Sexton has lived her entire life in a small town indeed in the same house where she grew up As an adult she taught at the same grammar school that she attended as a child and many of the relationships she cultivated while growing up including her marriage have endured over the years Always one to document the present and offer her sometimes unorthodox ideas and opinions Susie Duncan Sexton has tickled the keys of her trusty old typewriter for nearly five decades and now that venerable machine is ready to reveal its secrets Moody's Industrial Manual ,1919 Poetics of Cognition Jessica Lewis Luck,2023-08-14 Poetics of Cognition investigates the material effects of experimental poetics using new evidence emerging from cognitive science It asks How do experimental poems think and how do we think through them Examining experimental modes such as the New Sentence proceduralism projective verse sound poetry and visual poetry Jessica Lewis Luck argues that experimental poems materialize not so much the content as the activity of the embodied mind and they can thus function as a powerful scaffolding for extended cognition both for the writer and the reader While current critical approaches tend to describe the effects of experimentalism solely in terms of emotion and sensation Luck shifts from the feeling to the thinking that these poems can generate expanding the potential blast radius of experimental poetic effects into areas of linguistic sonic and visual processing and revealing a transformational potency that strictly affective approaches miss The cognitive research Luck draws upon suggests that the strangeness of experimental poetry can reshape the activity of the reader's mind creating new forms of attention perception and cognition This book closes by shifting from theory to praxis extracting forms of teaching from the forms of thinking that experimental poems instill in order to better enable their transformative effects in readers and to bring poetry pedagogy into the twenty first century Bodies on the Line Raphael Allison,2014-12-01 Bodies on the Line offers the first sustained study of the

poetry reading in its most formative period the 1960s Raphael Allison closely examines a vast archive of audio recordings of several key postwar American poets to explore the social and literary context of the sixties poetry reading which is characterized by contrasting differing styles of performance the humanist style and the skeptical strain The humanist style made mainstream by the Beats and their imitators is characterized by faith in the power of presence emotional communion and affect The skeptical strain emphasizes openness of interpretation and multivalent meaning a lack of stability or consistency and ironic detachment By comparing these two dominant styles of reading Allison argues that attention to sixties poetry readings reveals poets struggling between the kind of immediacy and presence that readings suggested and a private retreat from such performance based publicity one centered on the text itself Recordings of Robert Frost Charles Olson Gwendolyn Brooks Larry Eigner and William Carlos Williams all of whom emphasized voice breath and spoken language and who were inveterate professional readers in the sixties expose this struggle in often surprising ways In deconstructing assertions about the role and importance of the poetry reading during this period Allison reveals just how dramatic political and contentious poetry readings could be By discussing how to hear as well as read poetry *Bodies on the Line* offers startling new vantage points from which to understand American poetry since the 1960s as both performance and text **The**

Aesthetics and Ethics of Copying Darren Hudson Hick, Reinold Schmücker, 2016-10-20 *The Aesthetics and Ethics of Copying* responds to the rapidly changing attitudes towards the use of another's ideas styles and artworks With advances in technology making the copying of artworks and other artefacts exponentially easier questions of copying no longer focus on the problems of forgery they now expand into aesthetic and ethical legal concerns This volume addresses the changes and provides the first philosophical foundation for an aesthetics and ethics of copying Scholars from philosophy of art philosophy of technology philosophy of law ethics legal theory media studies art history literary theory and sociology discuss the role that copying plays in human culture confronting the question of how and why copying fits into our broader system of values Teasing out the factors and conceptual distinctions that must be accounted for in an ontology of copying they set a groundwork for understanding the nature of copies and copying showing how these interweave with ethical and legal concepts Covering unique concerns for copying in the domain of artworks from music and art to plays and literature contributors look at work by artists including Heinrich von Kleist Robert Rauschenberg Courbet and Manet and conclude with the normative dimensions of copying in the twenty first century By bringing this topic into the philosophical domain and highlighting its philosophical relevance *The Aesthetics and Ethics of Copying* establishes the complex conditions ontological aesthetic ethical cultural and legal that underlie and complicate the topic The result is a timely collection that establishes the need for further discussion **Investigation of Conglomerate Corporations** United States.
