Marilyn Dexheimer Lawrence, 2019-10-21 The author s father C F Dexheimer was a first rate storyteller who delighted in sharing his many adventures through letters to family and friends Whether describing a Wild West Texas storm or a tense encounter with suspicious locals in a Mississippi town in the 1960s or a 100 mph car chase through the Rocky Mountains or a birthday party for a cat he had a knack for capturing the essence of the moment He was an industry pioneer in the field of liquefied natural gas He was a fire chief He was a church treasurer and a gun toting deputy sheriff In this book his daughter draws on hundreds of his letters to paint a picture of a man who lived every moment to the fullest and passed on his love of life as his legacy      *I Love You and There Is Nothing You Can Do About It* Gerard Houarner, 2016-01-23 Twelve tales of the

human condition as seen from the dark side through the lens of myth nightmare romance the weird and the surreal The collection s title story sets the table turning over love s joy to explore where such an emotion might come from and what it might cost Other stories include The Question Man in which Derek is compelled to find the answers to the questions of a mysterious caller Spider Goes to Market finds the trickster god Spider caught in the horrors of the African slave trade The Dead Mothers Club seeks to answer the question of what happens to the children who cannot recover from the loss of their mothers Twelve Nights is the length of time it takes for a man to transform into something else once the reality of what he knew to be his life is broken Other stories included in this collection are The Oddist The Lighted Window The Good Dead Five Pregnant Vampires The Abandoned Mother Our Lady of the Jars and Not an Exit From the first print edition of this collection John Pelan writes in his introduction Gerard Houarner is an artist one that s not afraid to venture into new territories and try different hues and shades in his prose painting The artist has hung an entirely new show in his gallery and it s well worth coming in to view the admission fee is inexpensive and the memories will linger a lifetime And from Asimov s SF Magazine Paul Di Filippo writes in his On Books Review the stories that flesh out this book flesh bruised and broken are hardly

romantic trifles cynical or otherwise They are instead Grand Guignolish shockers reminiscent of John Shirley's work Houarner's introductions show a concerned and ethical individual at work and his sharp literary skills insure that he always adheres closely to his personal moral compass without sacrificing horrific impact Out Lady of the Jars is my favorite here straying as it does into the Borgesian territory of imaginary beings *From the Cotton Fields to a College Professor* Joe H.
