Security Guard Training Instructor Manual:

Armed Security Guard Training Manual Bernard Martinage,2014-06-01 All states have different regulations laws licensing and requirements for security guards This is especially true regarding the use of deadly force power of detain arrest and many other legal aspects of being a security guard It is the responsibility of the school instructor to know the laws relating to security guard activities for the State County or City in which they train and for which they train These laws and regulations are easy to find and free to print because they are of the public domain While all states may have different laws almost all states includes in their armed security guard training and educational requirements firearm knowledge and technical skills so the armed security guard can effectively use a firearm in the defense of self and others This Armed Security Guard Training Manual was developed to meet the most stringent standard It represents 40 hours of study materials It also includes 10 hours legal section that discusses Weapons and Firearms and the use of deadly force These 10 hours of the curriculum are modeled after Florida laws which regulates heavily security guard activities This section constitutes an excellent moral guideline to work from BUT it is your responsibility to research and teach the law of your state county city as well as ensure that you take the steps you need to meet your state s licensing requirements if there are any Last but not least this kit as you see it is what we use every day to train our pupils at Safe N Secure

Security Officer Study Guide Det/Sgt. Joseph Rios (Retired),2014-01-26 The Security Officer Study Guide was designed to assist the reader in preparation for a career in the security field This guide contains all the information necessary to become a security officer **Resources in Education** ,1990-07 Research in Education ,1973-12 Manuals Combined: AMPHIBIOUS WARFARE & NAVAL SCIENCE FOR THE MERCHANT MARINE OFFICER , AMPHIBIOUS WARFARE LETTER OF PROMULGATION This curriculum guide builds upon the work of many contributors Intellectual rigor and academic standards demand that the full scope of amphibious warfare be encompassed rather than the tracing of Marine Corps History

emphasizing the landings of the Great Pacific War which had forged our modern Corps The present course structure and content reflect the determination that 1 the history of amphibious warfare remains a valid intellectual endeavor 2 its scope greatly exceeds the study of the U S Marine Corps and 3 a historical survey of amphibious warfare is best approached from a Maneuver Warfare perspective exploring the various levels of war and their impact on each battle The levels of war would include the political strategic operational and tactical technical This construct of classes will also prepare students to become critical thinkers of warfare and thus better prepare them for future commissioned service to the Marine Corps Instructors are cautioned to observe that this manual contains lesson guides not lesson plans Instructors must devote time for serious background reading in recommended literature course texts and contemplation of a conceptual approach that will capture the imagination of their students Another important objective of this course must be to stimulate original thought and persistent interest on the part of the student

PROFESSIONAL CORE COMPETENCY OBJECTIVES The primary objectives of this course are to provide prospective merchant marine officers a basic understanding of their role in our national security and to familiarize them with the basic principles and procedures for operating a merchant ship as a naval or military auxiliary in a wartime convoy or independent sailing situation

Company Security Officer International Maritime Organization, 2011-10-03 This model course has been based on MSC Circ 1154 Guidelines on training and certification for Company Security Officers and aims to provide knowledge to those who may be designated to perform the duties and responsibilities of a Company Security Officer CSO as defined in paragraph 2.1.7 and paragraph 11 of the ISPS Code Part A and in particular the duties and responsibilities with respect to the security of a ship for ensuring the development or for developing of a ship security assessment for ensuring the development or for developing implementation maintenance and updating of a ship security plan and for liaising with Ship Security Officers SSOs and with Port Facility Security Officers PFSOs
