A Social History of Early India Brajadulal Chattopadhyaya, 2009 Contributed seminar papers

Society Henry Borne, John J. Macionis, S. Mikael Jansson, 2002

Social Psychology Kopano Ratele, Norman Duncan, 2003 Using current socio political thought and research this book examines topics such as violence social and political transition race and racism and sexualities Theoretical and empirical research are related to topical problems highlighting the complex relations of individuals to their societies and to one another The histories and complexities of problems and their interconnectedness are examined and possible solutions are suggested Special attention is paid to class sexuality gender and race making psychology in general and social psychology in particular relevant and exciting

The Genesis of the Chicago Renaissance Mary Hricko, 2013-09-05 This study examines the genesis of Chicago s two identified literary renaissance periods 1890 1920 and 1930 1950 through the writings of Dreiser Hughes Wright and Farrell The relationship of these four writers demonstrates a continuity of thought between the two renaissance periods By noting the affinities of these writers patterns such as the rise of the city novel the development of urban realism and the shift to modernism are identified as significant connections between the two periods Although Dreiser Wright and Farrell are more commonly thought of as Chicago writers this study argues that Langston

Hughes is a transitional pivotal figure between the two periods Through close readings and contextualization the influence of Chicago writing on American literature in such areas as realism and naturalism as well as proletarian and ethnic fiction becomes apparent Identity, Religion And Values C. Margaret Hall,2013-10-08 This handbook for clinicians focuses on

the impact of religion and spirituality on the client using the clinical sociological theory of identity empowerment The ten concepts of this theory show how identity can be expressed in value choices self dyad triad family religion definition of the situation reference group class culture and society The professor includes case studies and strategies for intervention at the end of each chapter **Imagining the American West through Film and Tourism** Warwick Frost,Jennifer

Laing,2015-06-05 The West is one of the strongest and most enduring place images in the world and its myth is firmly rooted in popular culture whether novels film television music clothing and even video games The West combines myth and history rugged natural scenery and wide open spaces popular culture and promises of transformation These imagined places draw in tourists attracted by a cultural heritage that is part fictional and mediated In turn tourism operators and destination marketing organisations refashion what they present to fit these imagined images This book explores this imagining of a mythic West through three key themes travel film and frontiers to offer new insight into how the imagination of the West and popular culture has influenced the construction of tourism In doing so it examines the series of paradoxes that underlie the basic appeal of the West evocative frontier a boundary zone between civilisation and wilderness and between order and lawlessness It draws on a range of films and literature as well as varying places from festivals to national parks to showcase different aspects of the nexus between travel film and frontiers in this fascinating region Interdisciplinary in character it includes perspectives from cultural studies American studies tourism and film studies Written by leading academics this title will be valuable reading for students researchers and academics in the fields of cultural studies tourism film studies and media studies and all those interested in film tourism Sociology and Study Guide and Seeing Ourselves Pk

Macionis,2004-05-25 **Sociology** John J.
