Seeking God A Pilgrimage In The Holy Land:

Seeking God George Jerjian, 2014-03-25 Seeking God is a journal of a pilgrimage to the Holy Land It traces the highlights of the life of Jesus Christ from His birth in Bethlehem His ministry in Galilee and through to His Resurrection and Ascension in Jerusalem It is also a book about the spiritual messages of Our Lord set in the landscape in which He gave them providing the reader with a deeper dimension to the Gospel stories which come alive It is also the history of the shrines and their link to the biblical cultural historical and political aspects of the Holy Land from the time of Jesus to the Byzantines and from the Crusades to our time In the parable of the sower and the seeds the seed that fell on rich soil grew a hundredfold Has the seed of the Word of the Lord fallen on the rich soil of your soul If so then perhaps this book will spark a desire in your heart to visit the Holy Land following in the footsteps of Our Lord

Christian Pilgrimage Ezeako Odi, 2016-03-11 And it shall be that whoever will not come up of all the families of the earth to Jerusalem to worship the King the LORD of hosts even on them shall be no rain Zachariah 14 17 AKJV There have been many spiritual and physical interpretations of this passage Rain symbolizes the blessings for which we pray Could it be that God is angry with Christians who fail to heed this injunction Many Christians go to Church and read their Bibles but often forget to avail themselves of the promises of Christian pilgrimage as contained in the above passage More tragic is the fact that some fail to separate pilgrimage from tourism The result is that they too are not blessed In this book we take you step by step in the spiritual journey to the Holy Land that never goes out of fashion The holiness of Israel as the Promised Land is evident in the several spiritual sites you will encounter You get a glimpse of the marvelous miracles of God This book also helps the pilgrim to stay focused in order to be blessed It is an inseparable guide to the pilgrim in need of additional ecclesiastic literature

Holy Ramblings Kent Hare, 2020-01-24 What is a pilgrimage How is it different from any other kind of travel Join the author as he seeks answers to these questions through journeys to the three most important destinations for Catholic travelers Rome and Italy the Shrine of Guadalupe in Mexico City and the Holy Land Share his adventures and misadventures in daily travelogues describing each trip from beginning to end with extensive religious historical and cultural commentary Those three destinations are only the beginning Around the world and here in the United States far and near famous and obscure shrines and holy sites await your discovery The author scouts out many such destinations and explores the phenomenon of virtual pilgrimage He concludes by offering practical advice how not to end up merely sightseeing For Catholics considering a pilgrimage for Protestants wondering why Catholics go on pilgrimages rather than tours Catholic or Protestant this book is for you Maps diagrams and pictures included

A Pilgrim's Journey Joseph N. Tylenda, 2009-09-03 Saint Ignatius of Loyola was a man who saw above and beyond his century a man of vision and calm hope who could step comfortably into our era and the Church of our time and show us how to draw closer to Christ Ignatius autobiography spans eighteen very important years of this saint's 65 year life from his wounding at Pamplona 1521 through his conversion his university studies and his journey to Rome in order to place his followers and himself at the disposal of the Pope These critical years reveal the incredible transformation and spiritual growth in the soul of a great saint and the events that helped to bring about that change in his life This classic work merits a long life Apart from providing a splendid translation of the saint's original text Father Tylenda has included an informative commentary which enables the modern reader to grasp various allusions in the text and to gain a better view of a saintly man baring his soul

Wheels of Light Fr. Con Buckley, 2015-02-12 These introductions homilies reflections and prayers are not theory but a priest's experience of a liturgical approach that works The testimony of the faithful who say what a lovely mass what a moving homily could I have a copy is his touchstone So is the popularity of the homilies on his internet web A Priest Reflects This book works because it treats each Sunday liturgy as a seamless robe of rich interwoven themes Thus the introduction identifies the links between the Old Testament reading and the Gospel and adds any gems from the second reading Then when the scripture is read people clued in to the overall import listen more profitably The homily elaborates the key themes from the readings further and relates them to life with stories anecdotes newspaper headlines references to common events etc The aim is that the Word should light up our contemporary experience The final doxology reinforces the point that the Word is life for this world not just the next The creed introduction summarizes the whole and the prayers carry that on into petitions for church leaders civil authorities youth the sick the dead and special needs There are special prayers for our youth that gaps in our congregations there will be bridged And the presiding minister should add other topical issues of the day The reflection after holy communion again reinforces the overall message but also leaves the people of God with something spicy and memorable to take home So all in all this book should light up our masses or services and make them gospel based relevant inspirational and focused The homilies are timed at about five minutes people's normal attention span So don't miss out on this innovative book Buy it and it will light up your Sunday mass and provide spiritual food for the following week

Spiritual Disciplines Handbook

Adele Ahlberg Calhoun,2015-11-19 Adele Calhoun s Spiritual Disciplines Handbook has become a standard for those who want to expand their knowledge of spiritual practices Now this beloved resource has been revised throughout and expanded to include thirteen new disciplines along

with a new preface by the author giving us practical guidance in our continuing journey toward intimacy with Christ **Ugly as Sin** M. Rose, 2009 How Catholic churches are being sapped of their spiritual vitality and what you can do about it The problem with new style churches isn't just that they're ugly they actually distort the Faith and lead Catholics away from Catholicism So argues Michel S Rose in these eye opening pages which banish forever the notion that lovers of traditional style churches are motivated simply by taste or nostalgia In terms that non architects can understand and modern architects can't dismiss Rose shows that far more is at stake modern churches actually violate the three natural laws of church architecture and lead Catholics to worship quite simply a false god Judaism David Hillel Gelernter, 2009-01-01 Written for observant and non observant Jews and anyone interested in religion this remarkable book by distinguished scholar Gelernter seeks to answer the deceptively simple question What is Judaism really about Contesting Zion Adrian Ciani, 2025-08-17 The modern relationship between the Vatican and the State of Israel is rooted in a long history of hostility between Judaism and Roman Catholicism Through the centuries popes and theologians marginalized the Jewish people assigning them collective guilt for the death of Jesus Christ and claiming that the sacred territory of Palestine was the true patrimony of the Roman Catholic Church With the advent of political Zionism in the nineteenth century Catholic fears of a Jewish dominated Palestine were renewed Contesting Zion examines the relationship between the Vatican and the Zionist movement from the Balfour Declaration in 1917 to the first decade of Israeli statehood Adrian Ciani considers the transnational nature of Catholic responses to Zionism and the creation of Israel with a focus on the Catholic Church in the United States From the 1920s through the 1950s American Catholic leaders became crucial intermediaries between Washington and the Vatican Speaking as both loyal American citizens and devout Catholics they were uniquely positioned to articulate the Vatican's policy objectives to the American government including on the future of Palestine American Catholics were also instrumental in advocating the church's Palestine policy at the United Nations playing a central role in the Holy See's attempts to shape the twentieth century international order From the 1920s through the 1960s Contesting Zion argues convincingly American Catholics were at the forefront of the Vatican's efforts to sway the fate of Palestine and to influence the future of the wider region **The Children's Crusade** G. Dickson, 2007-11-08 The Children's Crusade was possibly the most extraordinary event in the history of the crusades The first modern study in English of this popular crusade sheds new light on its history and offers new perspectives on its supposedly dismal outcome Its richly reimagined history and mythistory is explored from the thirteenth century to present day *The Christian treasury (and missionary review)*. , 1856
