The Wrath of Roses Violet Taylor, 2023-05-12 What if the Beast took the girl of his dreams AND the man who was desperate to claim her and used them to act out his every fantasy The witch s wrath has left me isolated broken A Beast unable to even touch another living soul without ruining them My only solace comes from watching the one I ve fallen in love with from afar Fleur She s beautiful spirited and everything I desire I can t give her what she needs but there s one in the village who can Gabriel is tall strong and handsome all things I once was As my days grow lonelier I accept that I need them both of them They ll act out every dark twisted fantasy my monstrous form prevents me from participating in And with any luck they ll grow to enjoy their new prison But the closer we become the more the roses wither and die The castle is changing The curse exacts a greater toll each day Unless Is it possible Fleur is meant for more than satiating my most carnal needs Could she be the one to break the spell Or is it too impossible for anyone to love a Beast Contains dark themes including graphic violence blood sexually explicit content dubcon 18

Alarms and Discursions G. K. Chesterton, 2023-03-28 Thoughts on anarchists sightseeing cheese and more from one of the finest essayists to ever grace the English language Joseph Pearce author of *Twelve Great Books* Renowned for his prolific writing everything from philosophy screeds to detective fiction G K Chesterton had a worldview like no other one that inspires thinkers to this day In this collection of writings he shares his thoughts on a diverse array of topics making no apologies for his leaps from one subject to another He s not afraid to get into the down and dirty of everyday life Of his essays on futurists telegraph poles kinds of

men and more sundry subjects he writes This row of shapeless and ungainly monsters which I now set before the reader does not consist of separate idols cut out capriciously in lonely valleys or various islands These monsters are meant for the gargoyles of a definite cathedral I have to carve the gargoyles because I can carve nothing else I leave to others the angels and the arches and the spires Praise for the writing of G K Chesterton If you reader of this volume are fortunate enough to have contact with young readers of our own day do I implore you introduce them to the essay form and there is no better place to start than with G K Chesterton Aidan Mackey author of G K Chesterton A Prophet for the 21st Century He is a teacher who paints with words Each of his essays is both a lesson and a work of art Dale Ahlquist author of G K Chesterton Apostle of Common Sense **Alarms and Discursions** Gilbert Keith Chesterton,1911 *Jesus Is My Rose* Christella Moore,2012-03-21 The book *Jesus Is My Rose* was inspired by the poetry that was revealed to me when I was visiting the hospital but its content is base on Gods revelation which was received through the scriptures and in my personal experiences Gods word is vividly described through Gods revelation my personal experience and the scriptures KJV *Jesus Is My Rose* will help us to find ourselves when we are lost in our situations and lead us into a place where God can give us peace to stand still in the strength of his mighty Spirit When we are in an adverse place this book will encourage us to move into the place of victory that God has prepared for us The emphasis is on the disobedience of the flesh and how it interferes with our reconciliation to God This book was inspired when I was visiting the Carroll County Hospital in Huntingdon Tennessee 1992 I didnt know how to offer inspiration to the patients and I was becoming discouraged from the mission I prayed for a solution and as a result the first poem *Jesus Is My Rose* was written I would pray every Monday for the Lord to give me a poem On Tuesday I would take it to my sister to copy it and on Wednesday I would go into the hospital from room to room reading the poem to the patients as I distributing them The poems became a book of about 21 My dad had always told me to copy write and publish my poems but I didnt know how I had made the poems into a small book and they were inspirational for me from time to time over the years I was working as a nurses assistant in the same hospital some years later I would offer the book of poems to some of the patients when they were discharged One lady commented on the poems and she said it was kind of monotonous to read poem after poem Then I began to work on the Cause For Inspiration but I never got too far because it required a lots of work As more years had passed I matured in the word as the Lord walked with me through many situations A friend of mine who was touched by the poems stayed on me to do something with them so I looked up publishing on the Internet I became serious about the Cause For Inspiration and the Call to Worship but once again I stopped short of my destination Satan began to buffet me with a vengeance I felt like Jonah I was running from God and it was time to stop running or face the consequence I chose to stop running and finish this book The books name *Jesus Is My Rose* comes from the first poem The red rose represents a gift of love and reconciliation This book is intended to inspire Gods most prized creation to receive confirm the gift that represents Gods love and be reconciled to the father *Ave Maria* ,1883 The
