Prunckun, Hank Prunckun, 1995-08-29 Dozens of illustrations tables of terrorist data a name and pseudonym index lists of booksellers and dealers journals and a catalog of databases that address the topics covered The bibliography presents such topics as anarchism arms dealing the IRA legal issues media coverage mercenaries neo Nazi activities piracy racial violence revolutions state terrorism and terrorist weapons **Hospital and Healthcare Security** Tony W York, Russell Colling, 2009-10-12 Hospital and Healthcare Security Fifth Edition examines the issues inherent to healthcare and hospital security including licensing regulatory requirements litigation and accreditation standards Building on the solid foundation laid down in the first four editions the book looks at the changes that have occurred in healthcare security since the last edition was published in 2001 It consists of 25 chapters

and presents examples from Canada the UK and the United States It first provides an overview of the healthcare environment including categories of healthcare types of hospitals the nonhospital side of healthcare and the different stakeholders It then describes basic healthcare security risks vulnerabilities and offers tips on security management planning The book also discusses security department organization and staffing management and supervision of the security force training of security personnel security force deployment and patrol activities employee involvement and awareness of security issues implementation of physical security safeguards parking control and security and emergency preparedness Healthcare security practitioners and hospital administrators will find this book invaluable Practical support for healthcare security professionals including operationally proven policies and procedures Specific assistance in preparing plans and materials tailored to healthcare security programs Summary tables and sample forms bring together key data facilitating ROI discussions with administrators and other departments General principles clearly laid out so readers can apply the industry standards most appropriate to their own environment NEW TO THIS EDITION Quick start section for hospital administrators who need an overview of security issues and best practices

Navy Comptroller Manual United States. Navy Department. Office of the Comptroller, 1990

Personal Identification David J. Haas, 2024-03-04 Personal Identification Modern Development and Security Implications Second Edition explains how personal identification and REAL ID became part of the American fabric along with their past century s historical ID development The development of the trusted and secure personal identification documents began with passports and has continued as social changes made IDs more essential This book describes the convergence of technologies and hundreds of patents that produced our trusted and secure documents and IDs from our past right up through to today Key factors that created today s need for public issued mass ID are addressed Chronicles the effects of large and mobile populations beginning a century ago Chronicles the effects of impersonal electronic computer communications at a distance and not face to face The distribution of services and money by government agencies based on a person s identity including age and group criteria Describes recent national security and terrorism concerns that necessitates the need to know You are who you say you are Personal identification documents IDs and the societal need for trusted identification by the public is a relatively new social phenomenon In 1900 most people did not need or have any IDs until passports with a photograph of the individual became mandatory when Great Britain entered World War I in 1914 In the United States the State issued driver s license is probably the only trusted ID in one s wallet today but they became trusted and secure documents only recently with the requirement for REAL ID With the first photo driver s license issued by the State of Colorado in 1959 it took until 1984 for the last State New York 25 years later to comply As a direct result of 9 11 where terrorists used fake driver s licenses to board planes Congress passed the Real ID Act in 2005 to make all State issued driver s licenses more trusted uniform and tamper resistant what is now called the Enhanced Driver s License with non drivers being issued Enhanced Identification Cards And with this every US citizen can now possess a

trusted and secure personal identification document Personal Identification Second Edition chronicles the path of personal identification measures including the latest developments of Real ID Scholars and professional security managers understand that stability security and safety necessitate these identity measures to ensure a safer America The book explains the various stages and advances providing readers with a unique study of this fascinating history of the relationship between identity and the means by which one validates and proves their own identity The enactment of the REAL ID Act of 2005 with more secure and tamper resistant documents for each citizen of the United States is being instituted so that one can trust you are who you say you are The State issued driver s license is not a National ID Card it is a Nationally Recognized ID for each citizen
