

Reflection Paper: Self-Assessment of Learning

3 pages | 733 words

Before entering college, I never took the time to self reflect on my actions as much as I should have. Over the years, I noticed that tend to be my biggest critic. I judge everything I do both inside and outside of the classroom very harshly. Many people suggest that I should not be so hard on myself. The more I reflect on myself, the more I learn about my beliefs and skills. I believe this is a strength because I am learning more about myself and my self-development as a future counselor. Throughout this paper, I will reflect on my self-awareness when it comes to learning different counseling techniques as well as critiquing my skill development.

Self-Awareness

During a class discussion, we went over a scenario where a client was expressing having an affair with a co-worker who is married and has a child. When we were going over this particular scenario I became self-aware on how bias I am toward cheating on your significant other. Reflecting on my clients feeling is not a bad technique, but I want to expand my techniques. I want to ask more open-ended questions, use more door openers, minimal encouragers, etc. During class I learned open-ended questions and door openers can encourage my client to expand on how they are feeling. Therefore, this will give me a better understanding of where my client is coming from and how my client is feeling. I also learned that using minimal encouragers will let my client know that I am listening to them.

Skill Development

One skill I want to improve on is utilizing silence without feeling uncomfortable. During role-play sessions, I practiced using silence but I found myself breaking the silence before my client did because I felt awkward. I fear that if I utilize silence and my client senses that I am uncomfortable, it will make them uncomfortable. If my client feels uncomfortable, they will not want to open up to me. One major lesson I took away from a class discussion as well as reading Young's textbook is how silence can encourage...
