The business was started on March 5, 2007 to manufacture telescoping aluminum walking and hiking poles. Walking with these poles makes exercise easier while burning calories at one's own pace. The partnership files its tax return on the accrual method. Inventory has been consistently valued at cost under the FIFO method using the full absorption procedure. Inventory capitalization rules of Internal Revenue Code Section 263A do not apply due to the "small business exception" (average annual gross receipts for the three preceding taxable years do not exceed \$10 million).
