A CHEEKY MOUSE

In a fancy house, on a fancy street, there lived a fancy family. This family liked everything to be just perfect. No mess, no dirt and certainly no pets! The two children were always expected to keep their rooms spotless, their beds made, their clothes folded neatly in the cupboards and absolutely no pets! It was a lovely Summer day when their perfect little world was completely turned upside down. Mother was in the kitchen scrubbing the bench for the fourth time that day, when she suddenly screamed in horror! Father and the two children ran into the kitchen and were greeted by a rather funny sight. There was Mother, standing on the bench, jumping up and down, arms flying around like windmills, while a little mouse sat on the floor, looking completely relaxed despite having caused such a scene.

Although Mother seemed quite unhappy about having a mouse in her beautiful kitchen, the rest of the family thought it was actually quite funny. From that day forward the little mouse made regular appearances in that perfect family house.

Some would even say the little mouse became a little family pet!
