Parenting by the Will of God Misty Wesley, 2015-01-09 Parenting by the Will of God is a special story about the prophet named Samuel One day Samuel became resentful because he could not play or visit his parents He just did not understand why he could not be like other children Eli the old priest at the temple told Samuel his mother would come and explain everything to him What did Samuel s mother tell him Did she tell her son why he was to stay at the temple Who speaks with Samuel at the end Read on and find out for yourself **Woman's Missionary Friend** ,1929 **Parenting by**

Developmental Design Vivian L. Houk, 2010-01-15 In this book Vivian Houk acknowledges that parenting is really hard work There is no getting around that It just is While many books have been written about all major areas of development she brings light to what may be the least understood and most confusing area of parenting today the spiritual lives of their children Parenting by Developmental Design was written for interested and engaged parents who need affirmation and want to know more about the pathway of spiritual formation for their children For those who don t know how to begin it offers hope and encouragement God has given us some amazing and powerful tools writes Houk which are useful and effective in providing direction for those of us who suffer from the fear of failure or incompetence We have the gift of imagination the use of symbol ritual and celebration and the tools for calming fears and healing wounds And above all the gift of the Holy Spirit You are not alone or incapable Anyone who values the stories of both the adult and child who walk with God will find this book enjoyable engaging and challenging Sacred Parenting Gary Thomas, 2009-05-26 Parenting is a school for spiritual formation and our children are our teachers The journey of caring for rearing training and loving our children will profoundly alter us forever Sacred Parenting is unlike any other parenting book you have ever read This is not a how to book that teaches you ways to discipline your kids or help them achieve their full potential Instead of discussing how parents can change their kids Sacred Parenting turns the tables and demonstrates how God uses our kids to change us You ve read all the method books Now take a step back and receive some much needed inspiration You ll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent and how their children transformed their relationship with God Sacred Parenting affirms the spiritual value of being a parent showing you the holy potential of the parent child relationship **Apostles and Prophets** Opoku Onyinah, 2022-01-27 This book is an attempt to trace and find

out the role of apostles and prophets in the Bible and then share these in a practical way to help the church of today It distinctively goes beyond the purview of the New Testament into the Old Testament and some ancient literature to bring out the wealth and depth of the subject and then makes a case for it Among others this book deals with the call of God the constitution and functions of a prophet and of an apostle Spiritual gifts the difference between apostles and prophets and how to test the manifestation of the Spirit One important issue which this book addresses is how the leadership of the church dropped from apostles to bishops You will enjoy reading it **The Family magazine, conducted by J. G TREASURE ,2025-09-05 It is important parents understand that God did not give them children so that they can abuse maltreat molest and manipulate them Instead he gave parents children so that they can train them in his ways and help them fulfil their destiny and purpose in life The major expectation of God from parents to whom he has given children is that they take very good care of those children But unfortunately many parents think God gave them children to serve their own personal interests and purpose which is not true God is the real owner of children hence we cannot do whatever we like with them or treat them any how we like We are only stewards and caretakers who will give account to the creator on judgement day on how we have raised trained and treated the kids that he has put in our care In view of the above the book GOD S SPECIAL MESSAGE TO ALL PARENTS Understanding the real reason why God gave you children has been written The book has been published to educate sensitize and enlighten parents on God s real expectations from them over the gift of children that he has given them Consequently every parent both current and aspiring will find this book highly insightful educative and thought provoking while

Closs, 2016-06-29 The Protevangelium has long been recognized as the single most important manuscript associated with the development of Marian dogma in early Christianity The theology of the manuscript and the interpretation of its contents however have been woefully misunderstood for almost two thousand years The present work reveals that the Protevangelium is a theological presentation of Mary in the same genre as the infancy narratives of Matthew and Luke The story of Mary in the Protevangelium tells of a Jewish maiden whose unique vocation was to be the mother of the holy one the Son of the Most High The christological awareness in the Gospel times was sufficient to single out Mary s place in salvation history However it was her role as a holy of holies of the divine presence a role that can only be understood within the holiness tradition of the Jewish people that first engendered her veneration among Christians Back cover **Raising Boys: A Christian Parenting Book** Quinn Kelly, 2025-06-17 Weave the Bible s wisdom into your parenting and instill faith in your son As a parent you will
