Buying Used

Although the GT will be popular, it will be more expensive than the Dynamique. Also check whether Dynamique models have air conditioning fitted as this is an option. The ones with it will be easier to sell on. The base 1.2-litre 8v engine with 60bhp is good for those who have just passed their tests, but otherwise it can feel very sluggish. If you are looking for a facelifted model, available from 2012, then it comes in just Dynamique trim. It does, however, come with air con as standard while there is just the one engine to choose from.
