**Cœurs volés** Sasha L. Miller, La valeur d'un cœur est inestimable Mervyn est habitué à l'inhabituel et à l'étrange Des personnes de tous les horizons viennent le voir avec des problèmes que seule la magie peut résoudre Il apprécie les défis qui s'offrent lui dans sa profession d'ensorceleur pour laquelle il est plus que doué ainsi que de pouvoir apporter son aide ceux qui n'ont personne d'autre vers qui se tourner Mais les femmes depuis longtemps maltraitées par ses pairs en raison de l'énergie spéciale qu'elles peuvent fournir se retrouvent au pas de sa porte Mais lorsque Callisto un fétard terrifié rescapé d'une terrible agression vient lui demander son aide celui-ci lui présente un défi que même Mervyn trouve compliqué la place de son cœur Callisto n'a plus qu'un charme destructeur qui finira par le tuer au bout de quelques jours si Mervyn ne trouve pas de solution

**Journals and Debating Speeches** John Stuart Mill,1988-12-01 One of the constant fascinations Mill holds for the general public as well as scholars derives from the early flowering of his genius This development is seen in detail in the journal and notebook he kept in France during his fifteenth year and in the debating speeches and walking tour journals dating from his eighteenth to twenty-fourth years This was the period when he first adopted Benthamism as a religion worked intensively as a propagandist for the faith and then began the painful reassessment that led to his independent mature thought and action Some of the results of that reassessment are seen in the diary entries from 1854 written for his

wife which reveal in personal form many of their most passionately held ideas These materials have never before been gathered and almost all appear here for the first time in scholarly form They throw light on contemporary social interests and behavior and will encourage new assessments of Mill s life and thought The texts the great majority drawn from manuscripts are presented in critical form collated with explanatory and textual notes The Introduction gives the personal and historical context with an analysis of content and rhetoric the Textual Introduction supplies information about the nature and history of the documents while Appendices provide ancillary materials Both bibliographic and analytic indexes are included     **A**
