Chen, 2019-12-03 Did Moses write about Jesus? Kevin Chen challenges the common view of the Pentateuch as focused primarily on the Mosaic Law, arguing instead that it sets forth a coherent sweeping vision of the Messiah as the center of its theological message. Building on the work of John Sailhamer, Chen provides a fascinating study and an exegetical basis for a Christ-centered biblical theology. **Queer Theory and the Prophetic Marriage Metaphor in the Hebrew Bible** Stuart MacWilliam, 2016-04-08 The Hebrew Bible offers a metaphor of marriage that portrays men and women as complementary, each with their distinct and natural roles. *Queer Theory and the Prophetic Marriage Metaphor in the Hebrew Bible* draws on contemporary scholarship to critique this heteronormativity. The book examines the methodological issues involved in the application of queer theory to biblical texts and draws on the concept of gender performativity, the construction of gender through action and behaviour, to argue for the potential of queer theory in political readings of the Bible. The central role of metaphor in reinforcing gender performativity is examined in relation to the books of Jeremiah, Hosea, and Ezekiel. The book offers a radical reassessment of the relationship between biblical language and gender identity. [A Catalog of Biblical Passages in the Dead Sea Scrolls](#) David L.
