

Teacher Information Page

Southeast Packet:

This student packet can be printed and then revised if you do not have students write in the m.

Southeast Vocabulary:

Students can use the study guide to study vocabulary lists. I usually gave students a few days after finishing the chapter before giving them the vocabulary test. When the book is finished, you can do a detrafter book reading activity before giving the last test.

Southeast Vocabulary Tests:

The vocabulary tests are not in the same order as the study guide. This ensures that students know the material vs. just memorizing letter answers in order.

Order in Chapters:

Vocabulary Sentences	These are used for word from the book. The page number is available for the students to find them easily. ***Vocabulary sentences do not include "Poetry Language"
Questions	Students will find the answer for these in order throughout the chapter unless otherwise specified. Students should take answers from the book.
Opinion Responses	These are students' responses to the questions; however, they should answer it fully and thoughtfully. Not just one-word answers.

Suggested Daily Order:

- 1) Define vocabulary on study guide before reading each chapter.
- 2) Read questions for the chapter before reading so students know what they are listening for.
- 3) Read chapter aloud to students (may choose to have students read aloud to the class, in a group, or alone).
- 4) Explain chapter activities if any or any questions students may have.
- 5) Students start working on homework.
