B

Dear Editor,

Life in this city needs to be improved. For one thing, there are too many cars, and there is too much smog, especially during rush hour. The air pollution is terrible. This problem is particularly bad downtown in the business district. Too many people drive their cars to work.

So what should we do about it? I think there should be more police officers at busy intersections. They could stop traffic jams. We also need fewer parking garages downtown. The city spends too much money building them. It's so easy to park that too many people drive to work. On the other hand, the city doesn't spend enough on public transportation. There aren't enough subway lines, and the train system needs a lot of improvement.
