Memoirs of a Brother (Robert Hugh Benson) ... With Illustrations [including Portraits].** Arthur Christopher Benson, Robert Hugh Benson, 1915 Robert Hugh Benson - Lord of the World Robert Hugh Benson, 2016-10-07 In or about the year 2000 humanity has reached that incredibly lofty goal to which its intrinsic efforts can carry it but rejected everything but crass materialism Technology has advanced to the point where no one need work for a living while the social sciences have achieved a smoothly running if almost unbearably sterile social order Formal religious beliefs except for Catholicism have been uprooted and eliminated as coherent systems and the Catholic Church has been completely discredited in the eyes of the world finally being outlawed The result is everything the late Victorians and Edwardians believed would bring human

happiness and which brings nothing but the advent of new superstitions despair and the end of the world maybe Lord of the World. By Robert Hugh Benson,2016-05-24 Robert Hugh Benson 18 November 1871 19 October 1914 was an English Anglican priest who in 1903 was received into the Roman Catholic Church in which he was ordained priest in 1904 He was lauded in his own day as one of the leading figures in English literature having written the notable novel Lord of the World 1907 Benson was the youngest son of Edward White Benson Archbishop of Canterbury and his wife Mary and the younger brother of Edward Frederic Benson and A C Benson 1 Benson was educated at Eton College and then studied classics and theology at Trinity College Cambridge from 1890 to 1893 2 In 1895 Benson was ordained a priest in the Church of England by his father who was the then Archbishop of Canterbury After his father died suddenly in 1896 Benson was sent on a trip to the Middle East to recover his own health While there he began to question the status of the Church of England and to consider the claims of the Roman Catholic Church His own piety began to tend toward the High Church tradition and he started exploring religious life in various Anglican communities eventually obtaining permission to join the Community of the Resurrection Benson made his profession as a member of the community in 1901 at which time he had no thoughts of leaving the Church of England As he continued his studies and began writing however he became more and more uneasy with his own doctrinal position and on 11 September 1903 he was received into the Catholic Church He was awarded the Dignitary of Honour of the Order of the Holy Sepulchre Benson was ordained as a Roman Catholic priest in 1904 and sent to Cambridge He continued his writing career along with his ministry as a priest Like both his brothers Edward Frederic Benson Fred and Arthur Christopher Benson Robert wrote many ghost and horror stories collected in The Light Invisible 1903 and A Mirror of Shallott 1907 His novel Lord of the World 1907 is generally regarded as one of the first modern dystopias see List of dystopian literature As a young man Benson recalled he had rejected the idea of marriage as quite inconceivable Benson was appointed a supernumerary private chamberlain to the Pope in 1911 and consequently styled as Monsignor *Lord of The World* Robert Hugh Benson,2020-01-01 First published in the year 1907 famous English fiction writer Robert Hugh Benson s present book Lord of the World is a dyatopian science fiction novel *Lord of the World, by Robert Hugh Benson (Novel)* Robert Hugh Benson,2016-05-16 Lord of the World is a 1907 novel by Monsignor Robert Hugh Benson that centers upon the reign of the Anti Christ and the End of the World It has been called prophetic by Dale Ahlquist Joseph Pearce Pope Benedict XVI and Pope Francis Robert Hugh Benson 1871 1914 was the youngest son of Edward White Benson Archbishop of Canterbury and younger brother of Edward Frederic Benson In 1895 he was ordained a priest in the Church of England by his father who was then Archbishop of Canterbury After many years of questioning and soul searching he was received into the Roman Catholic Church in 1903 He was ordained a Catholic priest in 1904 and named a Monsignor in 1911 This book written in 1907 is Benson s dystopic vision of a near future world in which religion has by and large been rejected or simply fallen by the wayside The Catholic Church has retreated to Italy and Ireland while the majority of the rest of the world is

either Humanistic or Pantheistic There is a one world government and euthanasia is widely available The plot follows the tale of a priest Percy Franklin who becomes Pope Silvester III and a mysterious man named Julian Felsenburgh who is identical in looks to the priest and who becomes Lord of the World The one condition of progress on the planet that happened to be men s dwelling place was peace not the sword which Christ brought or that which Mahomet wielded but peace that arose from not passed understanding the peace that sprang from a knowledge that man was all and was able to develop himself only by sympathy with his fellows Dawn of All Robert Hugh Benson,Aeterna Press,2004 Gradually memory and consciousness once more reasserted themselves and he became aware that he was lying in bed But this was a slow process of intense mental effort and was as laboriously and logically built up of premises and deductions as were his theological theses learned twenty years before in his seminary There was the sheet below his chin there was a red coverlet seen at first as a blood coloured landscape of hills and valleys there was a ceiling overhead at first as remote as the vault of heaven Then little by little the confused roaring in his ears sank to a murmur It had been just now as the sound of brazen hammers clanging in reverberating caves the rolling of wheels the tramp of countless myriads of men Aeterna Press The Life of Monsignor Robert Hugh Benson ...
