

Romeo Juliet

Agamemnon.org

Act 2: Personal Response & Review Guide

the first depicting Juliet that he has been asked for "Queen Mab," "the fairest and wisest" wife, "like a wingèd couch-maker of 'empty huswaddies'" and who "presents" herself as their "changelovèd" lover. "Mistress" is the tip of a sleeping woman. In this way, like Mercutio's his eloquence and vivid imagination do prompt Romeo and others to look through their noses. Mercutio notices that something about Juliet is different, where there are many other beautiful women. Furthermore, when the usually witty nurse comes to visit the Romeo's balcony in act II, scene IV, Mercutio laughs with her.

While Mercutio has a playful and witty side, he is also an honest, loyal, and different character. His relationship is unfortunately with the Montagues and especially Romeo, in the marketplace brawl earlier in act II, scene I. Mercutio grows frustrated when Romeo refuses to fight the Capulet enemy, Tybalt. He swiftly takes Romeo's place and duels with Tybalt. His sudden and ironic death results in his death—Romeo steps in to stop the fight, and Tybalt finally kills Mercutio under Romeo's arm. At the end, Mercutio wishes "a pillow in death your house," illustrating his ever-changing nature and his capacity for both loyalty as well as revenge.

Act 2: Personal Response Questions

Normally, we asked for students' opinions and may vary. The commenting below should help you / guide you to constructively respond to students' opinions / engagement with the text:

1. Mercutio and Romeo have different views of love. Whose did you agree with more? Explain fully.

Romeo's view of love:

Romeo is one of the titular characters in *Romeo and Juliet*. He is a young man, a member of the Montague family, and a young lover. He is the only son of Lord and Lady Montague, nobles of Verona. Although not a saint, he is also sensitive, generous, and very kind. His love for Juliet throughout the play is true, though not necessarily the most sincere for others. He is not just a young man, but is surrounded with the idea of love. Although he looks like he is serious about his friends, he enjoys joking with them, especially Mercutio. He is very friendly, kind, and generous, and he gets very easily in love with his beloved Juliet.

At the start of the play, Romeo's friends notice that he is not acting like himself. They want to know that Romeo is serious. He is usually in love with Juliet, a character never before seen.
