The Law Journal Reports ,1835 *Controversial Correspondence Between the Rev. P. Maclachlan, and R.W. Kennard, Esq* Paul Maclachlan,1855 *Angels in My Way* Miguel Angel Soto Flores,2011-03-01 The Angels in My Way is an anthology of real life experiences of a trust worthy person Misti who exposes her beliefs and explains in details her guardian angels actions **Judges: A Critical & Rhetorical Commentary** Richard D. Nelson,2017-02-09 The book of Judges is part of the world s literary and cultural canon and as such it provides insights about political leadership gender relationships power disparities personal strengths and weakness as well as social and political ethics In addition for many Jewish and Christian scholars Judges is a canonical scriptural text This new commentary on Judges considers all these issues adopting two key approaches rhetorical criticism and historical criticism As a rhetorical commentary the volume pays attention to the factors in the text that are being marshalled to influence the reader Attention is paid to what the text does and how it works when it is read closely This element of the commentary encompasses lexical and grammatical issues organizing arrangements and patterns the intentions of various literary genres along with narrative plot and structure As a critical commentary the volume deals with the history of the text s formation and transmission It establishes the earliest recoverable text of Judges as a way of getting as close as possible to the producers of the text and its early audiences It provides a well argued description of how Judges was brought together as a coherent document from earlier oral and written sources and how it was later modified and supplemented Together these aspects enable Nelson to provide a bold new commentary on Judges that is broad in scope and pays close attention to every detail of the text **A treatise of miscellany questions; wherein many useful questions and cases of conscience are discussed and resolved** George GILLESPIE (Minister at Edinburgh.),1846

Reports of Cases Argued and Adjudged in the Court of Appeals of Maryland Maryland. Court of Appeals,Alexander Contee Magruder,Oliver Miller,Nicholas Brewer (Jr),John Shaaf Stockett,William Theophilus Brantly,William Henry Perkins,Herbert Thorndike Tiffany,Malcolm J. Coan,1853 Judges 13-21 Jack M. Sasson,2025-08-27 The second volume of Jack M Sasson s authoritative commentary on the book of Judges The second half of Judges is set when there was no king in Israel anyone could do whatever felt right It narrates the tale of Samson the would be liberator of Israel who comes to a violent end the conquest of the land of Laish and a vicious rape that when followed by a shocking dismemberment ignites a war among the tribes In the second installment of his authoritative two volume commentary Jack M Sasson invites his readers to ponder the many levels of meaning in the Hebrew text through a careful survey of its contents evolution and reception By situating the text alongside its earliest translations into Greek Aramaic and Latin Sasson offers compelling observations on the characters action pacing and style of the narrative focusing on the characterization of Samson as a resourceful avenger of Philistine cruelties and as an instrument of God intended to humiliate false divinities Sasson draws widely on comparative literature from Egypt Greece and Mesopotamia to enrich our understanding of how biblical writers

adapted older regional sagas and he derives insights from Hellenistic and rabbinic sources to re create how Judges was understood by its earliest readers Comprehensive and engagingly written Judges 13 21 is an invitation to readers to rediscover these ancient stories and in so doing gain a greater appreciation for the art of Hebrew storytelling **Isaiah (Understanding the Bible Commentary Series)** John Goldingay,2012-07-01 The book of Isaiah depicts for its readers what happens when Isaiah volunteers to become Yahweh s gofer when he acts and speaks on Yahweh s behalf with Yahweh s authority In this careful and insightful commentary on Isaiah Goldingay unfolds the voices and messages of those prophetic actions and experiences While doing this he points out that three attributes of Yahweh come into distinctive focus in Isaiah Yahweh s majesty and authority Yahweh s passion in anger and compassion and Yahweh s insight and capacity to formulate a plan and put it into effect Goldingay also examines the way Isaiah thinks about the people of God and the relationship between the vision of who they could be the reality of who they were the calamity of that contrast and ultimately the promise Yahweh offers to them **The Gospel of John** Frederick Dale Bruner,2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers The Gospel of John A Commentary more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church s major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner s own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner s other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner s earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike **Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations
