Notes From Oxford 1910 1911:

Notes from Oxford 1910-1911 Margaret R. O'Leary, Dennis S. O'Leary, 2015 Notes from Oxford, 1910-1911 R'D O'Leary, 2014-12-31 Over the span of forty years Professor Raphael Dorman O'Leary passionately imparted to his students his love of writing and English literature at the University of Kansas When he died after a short illness in 1936 his personal effects were passed to several relatives until Dennis O'Leary and his wife Margaret discovered his papers while restoring a family house Amid Professor O'Leary's papers were two slim and battered booklets containing the colorful journal that he kept during his sabbatical in Oxford England from 1910 to 1911 The journal paints a vibrant picture of O'Leary's academic social political and religious encounters in Oxford England as he and his family attempted to adjust to an alien world Professor O'Leary portrays with humor and pathos his myriad encounters with professors politicians Rhodes scholars shopkeepers nurses street urchins and mummies while vividly describing the dreary climate tea and dinner parties football games the marketplace musty bookstores Oxford's slums and the birth of his son in a rooming house bedroom Notes from Oxford 1910-1911 reveals a fascinating glimpse into the experiences of a revered English professor during his one year sabbatical in Oxford England **International Catalogue of Scientific Literature, 1901-1914**, 1915 **The English Professor** Margaret R. O'Leary/Dennis S. O'Leary, 2016-02-04 Across the span of more than forty years Raphael Dorman O'Leary a professor of English rhetoric and English literature taught his students at the University of Kansas to think straight to put sinew into their sentences and to embrace the magnificent literary treasures of their mother tongue The English Professor by authors Margaret R O'Leary and Dennis S O'Leary offers a narrative of the life work and times of a revered Midwestern university English teacher This memoir narrates how the professor born in 1866 was raised on a Kansas farm in the post bellum era Like his father before him he was committed to a life of learning and teaching His colleagues knew him for his unpretentious exterior honesty and integrity and his flashing anger at cheapness vulgarity pretense and above all charlatanism When Professor O'Leary died after a short illness in 1936 his personal effects passed through two generations to his grandson Dennis S O'Leary who with his wife Margaret discovered his papers while restoring a family house The trove of material served as the core resource for the compilation of The English Professor It provides insights into the histories of Kansas and the University of Kansas and of Harvard University as well as perspectives on higher education including the teaching of English rhetoric language literature journalism and oratory in the United States *International Catalogue of Scientific Literature [1901-14]*, 1914 International Catalogue of Scientific Literature, 1915 *Revisiting "The Waste Land"* Lawrence Rainey, 2008-10-01 div This groundbreaking book of literary detective work alters our understanding of T S Eliot's poetic masterpiece The Waste Land Lawrence Rainey not only resolves longstanding mysteries surrounding the composition of the poem but also overturns traditional interpretations of the poem that have prevailed for more than eighty years He shines new light on Eliot's greatest achievement and on the poem's place in the modern canon Far from the austere

and sober monument to neoclassicism that admirers have praised *The Waste Land* turns out to be something quite different something grim and wild unruly and intractable violent and shocking and radically indeterminate yet also deeply compassionate Rainey looks at how Eliot went about writing the poem and at the sequence in which he composed the parts Arriving at new insights into the poet's intentions Rainey unsettles tradition bound views of the poem and shows us that *The Waste Land* is even stranger and more startling than we knew DIV Percy Manning: The Man Who Collected Oxfordshire Michael Heaney, 2017-02-18 This volume provides the first detailed biography Percy Manning 1870 1917 an Oxford antiquary who amassed enormous collections about the history of Oxford and Oxfordshire *The Journal of the Board of Agriculture* ,1912 Pillars in the History of Biblical Interpretation, Volume 3 Stanley E. Porter, Zachary K. Dawson, 2021-06-07 This third volume like its predecessors adds to the growing body of literature concerned with the history of biblical interpretation With eighteen essays on nineteen biblical interpreters volume 3 expands the scope of scholars both traditional and modern covered in this now multivolume series Each chapter provides a biographical sketch of its respective scholar's an overview of their major contributions to the field explanations of their theoretical and methodological approaches to interpretation and evaluations and applications of their methods By focusing on the contexts in which these scholars lived and worked these essays show what defining features qualify these scholars as pillars in the history of biblical interpretation While identifying a scholar as a pillar is somewhat subjective this volume defines a pillar as one who has made a distinctive contribution by using and exemplifying a clear method that has pushed the discipline forward at least within a given context and time period This volume is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the field of biblical studies has developed and how certain interpreters have played a formative role in that development
