It is not always an easy task for a young lady to prove her worthiness of being a student in a solid institution like Seattle University. I understand that there are so many individuals, who want to achieve the same purpose and become students. The teachers from my college life have already shown how it is possible for me to become a better person and which career goals should be set. Therefore, now, I am able to identify my future goals and the ways how they can be achieved. I see my future in the sphere of finance. Business is the world that attracts my attention a lot. I cannot imagine my life without numerous financial affairs, and I want to prove that I am worth attention and recognition.

My experience provides me with a chance to believe that I could become a good specialist. Being a student in the Zhujiang College of South China Agricultural University and Seattle Central Community College, I realized that people are free to choose their own paths and develop their skills accordingly. Each problem is not an obstacle but a challenge that has to be overcome with the help of the best human qualities and abilities. There is no necessity to avoid difficulties. Sometimes, it is even impossible. What I have to do is to be ready to use the best of myself and help other people to do the same.

As an international student, I perfectly understand, speak, and write English as well as Chinese. This bilingual ability makes me sociable at different levels. This is a real treasure for me to continue developing my cultural and intellectual backgrounds in Seattle University. It is also a good chance to
