Task

- There are no capital letters, speech marks, full stops or commas in this passage. Can you put these in the right places?
- Can you also show how you would split this passage into four paragraphs (not counting indentations for direct speech)?
- First, put in the missing punctuation and then, with a partner, decide where the paragraphs should go.

the iron man stood up straight slowly he turned till he was
looking directly at hogarth we're sorry we trapped you and buried
you shouted the little boy we promise we'll not deceive you
again follow us and you can have all the metal you want brass
too aluminium too and lots of chrome follow us the iron man pushed aside
the boughs and came into the lane hogarth joined the farmers slowly they
drove back down the lane and slowly with all his cogs humming the iron
man stepped after them they led through the villages half the people came
out to stare half ran to shut themselves inside bedrooms and kitchens
nobody could believe their eyes when they saw the iron man marching
behind the farmers at last they came to the town and there was a great
scrap-metal yard everything was there old cars by the hundred old trucks
old railway engines old stoves old refrigerators old springs bedsteads
bicycles girders gates pans - all the scrap iron of the region was piled up
there rusting away

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Practice Proofreading Paragraphs For College Students

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Practice Proofreading Paragraphs For College Students books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
