

Prompt 2

30 minutes

Directions:

The following assignment requires you to use information from two sources to discuss concerns that relate to a specific issue. When paraphrasing or quoting from the two sources, cite each source used by referring to the author's last name, the title, or any other clear identifier.

Assignment:

Read the two passages carefully and then write an essay in which you identify the most important concerns regarding the issue and explain why they are important. Your essay must draw on information from BOTH of the sources. In addition, you may draw on your own experiences, observations, or readings. Be sure to CITE the sources whether you are paraphrasing or directly quoting.

Coronavirus makes voting by mail even more important

Less than five months until Election Day, there's a surprisingly fierce debate over mail-in balloting, driven largely by an unpopular president apparently worried that too many people will cast votes.

But Trump's outbursts about the issue don't stand up to even casual scrutiny. The fact is, Trump himself votes by mail. All 50 states allow it to some degree.

A pandemic makes mail-in voting even more important. In April, after the Wisconsin Supreme Court blocked the governor's effort because of the pandemic, people still braved the polls in record numbers. Disease voting is person contracted COVID-19.

Since the coronavirus outbreak, election officials across the country have expanded access to absentee voting for primaries.

But Trump continues to make false allegations that states are sending mail-in ballots to noncitizens or people who aren't registered to vote.

This hand-wringing would be laughable if Trump wasn't thus sticking to "hold up" federal funding where battleground states are increasing voting by mail. The Republican Party is treating millions as a challenge to vote-by-mail initiatives.

The reality is that mail voting is poised to be a crisis, and the risks of fraud are tiny. A Washington Post analysis this month showed that in these vote-by-mail states, there were 172 questionable ballots out of 14.6 million cast, or 0.0011%.

To be sure, states need to adopt adequate safeguards as they race to expand mail voting. Ballot return envelopes should require the voter's signature and include a unique bar code.

Neuropsychology, *Marx and Social Justice* George E. McCarthy, 2017-11-01 In *Marx and Social Justice* George E. McCarthy presents a detailed and comprehensive overview of the ethical political and economic foundations of Marx's theory of social justice in his early and later writings What is distinctive about Marx's theory is that he rejects the views of justice in liberalism and reform socialism based on legal rights and fair distribution by balancing ancient Greek philosophy with nineteenth century political economy Relying on Aristotle's definition of social justice grounded in ethics and politics virtue and democracy Marx applies it to a broader range of issues including workers control and creativity producer associations human rights and human needs fairness and reciprocity in exchange wealth distribution political emancipation economic and ecological crises and economic democracy Each chapter in the book represents a different aspect of social justice Unlike Locke and Hegel Marx is able to integrate natural law and natural rights as he constructs a classical vision of self government of the people by the people **Redescribing the Gospel of Mark** Barry S. Crawford, Merrill P.

Miller, 2017-06-16 A collaborative project with a variety of critical essays This final volume of studies by members of the Society of Biblical Literature's consultation and later seminar on Ancient Myths and Modern Theories of Christian Origins focuses on Mark As with previous volumes the provocative proposals on Christian origins offered by Burton L Mack are tested by applying Jonathan Z Smith's distinctive social theorizing and comparative method Essays examine Mark as an author's writing in a book culture a writing that responded to situations arising out of the first Roman Judean war after the destruction of the Jerusalem temple in 70 CE Contributors William E Arnal Barry S Crawford Burton L Mack Christopher R Matthews Merrill P Miller Jonathan Z Smith and Robyn Faith Walsh explore the southern Levant as a plausible provenance of the Gospel of Mark and provide a detailed analysis of the construction of Mark as a narrative composed without access to prior narrative sources about Jesus A concluding retrospective follows the work of the seminar its developing discourse and

debates and the continuing work of successor groups in the field Features A thorough examination of the relation between structure and event in social and anthropological theory that provides conceptual tools for representing the project of the author of Mark An exploration of the southern Levant as a plausible provenance of the Gospel a permanent site of successive imperial regimes and culturally related peoples A detailed analysis of the construction of Mark as a narrative composed without access to prior narrative sources about Jesus **Zygmunt Bauman and the West** Jack Palmer,2023-07-15

Zygmunt Bauman was both an outsider of Western modernity and one of its foremost interpreters He was an exemplary figure in twentieth century intellectual work on exile who experienced both Nazi and Soviet forms of totalitarianism The first work to draw extensively on Bauman s personal archive Zygmunt Bauman and the West argues that the distinctive social thought that sprang from Bauman s lived experiences of exile amounts to a sustained sophisticated and hitherto unappreciated problematization of Eurocentrism and the West Through an overview of the intellectual s thought and his contribution to sociology Jack Palmer explores Bauman s experience and interpretation of the West and seeks to understand his work in a broader context outside of the Eurocentric environment from which it was born Intervening in a resurgent sociology of intellectuals Zygmunt Bauman and the West re evaluates the place of the West in social and political thought

For the Nation Nicholas R. Brown,2016-09-29 The nature of the kingdom Jesus proclaims in the Gospels has long been a subject of intense theological debate More recently the lines of this debate have dramatically shifted as several leading historical Jesus scholars and Christian social ethicists have argued that Jesus kingdom proclamation most likely expresses a first century Jewish hope for Israel s restoration Yet while several are now sanguine that Jesus kingdom vision constitutes nothing less than a full throated restoration of Israel s nationality they are just as certain it rejects a restoration of Israel s land As such it has become increasingly fashionable to say that an authentic practice of the kingdom ethic that Jesus enunciates must necessarily be a territorial The purpose of this work is to respond to these arguments and show why this can and indeed should not be the case Through a careful and detailed process of historical investigation biblical exegesis theological exploration and ethical analysis we will come to see that not only is the kingdom that Jesus proclaims inextricably landed but also why such a kingdom is integral to articulating a Christian ethic of territorial governance **Against the**

Body and Identity Angela Franks,2025-08-15 Angela Franks provides a sweeping intellectual history of identity particularly in terms of how identity relates to the body with an emphasis on the importance of Christianity to this understanding Modern questions about our bodies and how we see ourselves are often complex and problematic To better answer these contemporary questions and navigate identity politics Angela Franks seeks to provide a better understanding of

identity She begins by giving three basic meanings of the term identity through time the true or authentic self and our awareness of ourselves She engages with thinkers from antiquity to present day and investigates the decisive developments that Christianity provided Within Christianity came a new awareness of the distinctive individuality of each person the true self called by God in a way that often breaks away from the solid or fixed structures of identity formation such as family class and nation This more liquid idea of identity continues to evolve in modern times though without its theistic emphasis on God's call The result is a purely liquid self that consists of consciousness and activity but without a grounded self that is either the object or the subject of consciousness This is the empty self we have today one that is given much more to do and less to be A comprehensive history of identity Body and Identity brings the theological history of the self to the forefront in order to address the empty self and how identity is defined today

Praxis 52sample Essay Questions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Praxis 52sample Essay Questions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Praxis 52sample Essay Questions has opened up a world of possibilities. Downloading Praxis 52sample Essay Questions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Praxis 52sample Essay Questions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Praxis 52sample Essay Questions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Praxis 52sample Essay Questions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Praxis 52sample Essay Questions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Praxis 52sample Essay Questions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
